POSITIVE BEHAVIORAL INTERVENTION AND SUPPORT (PBIS)

Joe Baca Middle School started implementing PBIS in January of 2014. The school site PBIS Committee was formed to help facilitate the system of positive-behavior supports that acknowledge students for following four basic principles behaviorally and academically: **Respect**, **On task**, **Acting with integrity**, and **Responsibility** (ROAR).

The Committee works with staff and students to determine the best way to accomplish a positive atmosphere at JBMS. A School Matrix was developed targeting six different areas of concern: *Hallways, Classrooms, Computer Labs, Lunch Shelter, Restroom, and Bus*. **Respect**, **On task**, **Acting with Integrity**, and **Responsibility** were agreed upon to be the main focus of behavior in each area.

Students who follow school rules and show academic success/progress are acknowledged by teachers and staff with “Grizzly Bucks”. Those who earn “Grizzly Bucks” use their "Bucks" to purchase incentives at our ROAR Store. Incentives such as pencils, folders, backpacks and other school supplies are available. Students are then entered into weekly and monthly drawings where they can win gift certificates or other prizes. In the past we have given certificates to Michael’s Donuts, Farmer Boys, In-&-Out Burger, Hometown Buffet and Festive Village, to name a few.

Furthermore, all members of our school community share a responsibility to keep Joe Baca Middle School as a place where we can share a great deal of pride. The staff is here to help you. Treat everyone with respect and you will be able to expect to be treated with equal respect. We want the campus to be a safe and orderly place for all of you to learn.

What is PBIS? *Positive Behavior Interventions and Supports (PBIS)* is a proactive framework that helps students develop the social/emotional skills needed to ensure success at school and beyond. The PBIS system creates and maintains a safe and effective learning environment that focuses on:

- recognizing what is positive and productive in student behavior and academically.
- reinforcing those behaviors through regular and ongoing rewards.
- minimizing negative behaviors through consistent disciplinary action and effective communication with those students’ homes.

The following page is our School Matrix that is posted throughout the school. Students will be taught the expectations the first week of school; and then the expectations will be reinforced and reviewed throughout the school year.

PURPOSE OF SCHOOL AGENDA

Students are expected to use the school agenda to write class assignments, notes and homework assignments daily. Parents are encouraged to review the agenda and contact teachers for concerns regarding academic progress. The agenda should also be used for daily/weekly progress report and updates for academics and/or behavior. This is one of the major communication tools for parents, students and teachers.

A Parent's Guide to Using the Agenda

See why so many parents are enthusiastic about our agenda system: It is a quick, effective way to keep track of what is going on at school. It is not always easy to keep in touch because family life is so busy nowadays; but this is the most effective system we have found.

1. How does my child use the agenda?

- a. Students are recommended to write down their assignments and messages everyday in each class.

2. What should I do each night?

- a. We advise that you read and review the agenda each night. Also, ask your child what they did in class to help develop communication skills.

3. What if I have a question for a teacher?

- a. Space is provided in the agenda for you to write a note to the teacher. Example:
Is it true, Mr. Jones, my son had no math homework this week?

COMMITMENT TO CHILDREN

We parents, grandparents, brothers and sisters, families, teachers, EVERYONE pledge ourselves to:

- ❖ Listen when our children speak to us.
- ❖ Strive to be people of compassion, love and healing especially to the children in our care.
- ❖ Speak out against any violence done to the children in our world.
- ❖ Work openly with one another to protect our children so that their lives are filled with hope.

A CHILD'S COMMITMENT TO OTHER CHILDREN

I want to be a good person. Help me to:

- ❖ Listen to other kids.
- ❖ Care about others around me.
- ❖ Tell an adult when I or one of my friends am/are being hurt by someone.
- ❖ Be safe, strong and free.

STUDENT INFORMATION

Here you will find an array of information related to various policies we have here at Joe Baca Middle School.

Absences / Attendance

Joe Baca Middle School believes that arriving to class on time builds responsibility and maximizes instructional time that leads to increased student achievement and success. When a student is absent, the parent/guardian **MUST** call or send a note to the Attendance Office **WITHIN 72 HOURS** to inform the school of the absence. The note must consist of the student's name, grade and reason for absence (**THIS IS REQUIRED BY STATE LAW**).

After 72 hours, the absence is considered a truancy/unverified absence for each period missed. BY STATE LAW, any student who misses three (3) days or more due to truancy, is declared a habitual truant and will be reported to the appropriate juvenile/law enforcement agency.

There are many types of absences recognized by the CJUSD, in accordance with California Education Code 48200 and 48290. In addition, some absence codes note that a student was not in class, but was in the office or on a school activity.

- **Qualified absences:** Due to illness, doctor/dentist appointments, (immediate) family funeral or court appearance of the student. The state of California allows one (1) day excused for an in-state funeral and (3) days for out-of-state funerals.
- **Unqualified absences:** Excused by parents for reasons other than recognized in Qualified Absence, including family emergencies.
- **Truancies/Unverified absences:** Absences not authorized by parent/guardian, not notified within 72 hours, and not authorized by school personnel.
- **Suspensions:** Absences mandated by school officials for disciplinary reasons.

SATURDAY ACADEMY:

Saturday Academy sessions are available throughout the school year to allow students to make up absences and clear any attendance concerns. By attending Saturday Academy, students are able to be eligible for perfect attendance awards and recognition. Every Saturday Academy attendance clears (1) full day absence or (3) attendance markings.

Attendance and Activities

Students may not attend an after-school activity if they have been absent on the day of the activity.

Activities Throughout the Year / Co-Curricular or Extra-Curricular Activities

There are a variety of co-curricular activities for students to participate in at Joe Baca Middle School. Some of these activities include clubs, sports, Associated Student Council activities, as well as dances, trips, and more. However, participation is a privilege and should not interfere with academic progress. There are academic and behavior expectations, including a minimum of a 2.0 GPA the quarter prior to the activity, and no more than one outside suspension within the activity time frame. The students will be placed on a "No Go" list and **are not eligible** for the activity. Please see below for specific qualifications.

Middle School Promotion Certificates and Ceremony Participation

A student shall receive a Promotion Certificate if he/she earns a minimum of 115 units and/or has earned a cumulative middle school grade point average of 2.0 or higher.

Participation in the Promotion Ceremony is a privilege and requires a student to meet the following criteria:

1. **Academic:** The student must be eligible to receive an 8th Grade Promotion Certificate by the end of his/her eighth grade year by earning 115 units or a cumulative GPA of 2.0 or higher.
2. **Attendance:** The student must not have received more than three all-day unverified absences or the equivalent in the last quarter of the school year.
3. **Behavior:** The student must not have received more than one outside suspension during the last quarter of the school year, or have an excessive discipline history.

Exceptions to the criteria may be recommended by the Principal to the Superintendent or Designee if extenuating circumstances warrant an exception. The Superintendent or Designee shall have the final decision.

In order to encourage high standards of student conduct and behavior, the Principal may deny a student the privilege of participating in promotion or graduation ceremonies and/or activities in accordance with school rules. Prior to denial of the privilege, the student, and where practicable his/her parent/guardian, shall be made aware of the grounds for such denial and shall be given an opportunity to respond. If a privilege is to be denied, the student and parent/guardian shall receive written notice of the denied privilege and the means whereby he/she may appeal the decision.

Sports include: Softball, Basketball, Soccer, and Track. All sports activities are after school. Each student participant must adhere to all District guidelines; including sportsmanship, academic and behavioral expectations; including a minimum of a 2.0 grade point average and no more than one outside suspension for the season. If you are requested to bring sports equipment to school, it must be given to your coach before the first bell rings. Please be sure to have your name on the equipment.

Bicycles, Skateboards, & Scooters

For the safety of all, the following rules apply to riders:

1. Bicycles, skateboards, & scooters may not be ridden on any part of the campus at any time.
2. When arriving at school, walk bicycles, skateboards, & scooters directly to the bike or skateboard rack.
3. Students must lock bicycles, skateboards, & scooters to the rack with their own personal lock.

However, the school is **NOT** responsible for theft or damage to student personal items left in the racks or on campus. The California Highway Patrol may issue citations for reckless riding to and from school and for riding without a helmet.

Buses

Bus transportation to and from school is a privilege and not a right and therefore can be taken away. For the safety of all passengers, students are expected to follow the rules of the CJUSD Transportation Department and to have their ID present. Students are to behave and conduct themselves appropriately while riding the bus to ensure safety.

Some of the Bus Transportation Rules that will be enforced are:

1. While waiting for the bus, students will be in a single file line in their appropriate area. They will load orderly onto the bus in a single file line.
2. Orderly behavior is required while aboard the bus. Abusive body contact (fighting, slapping, hitting, poking, shoving, etc.) is not permitted. Students are to talk quietly. Shouting, yelling, boisterous behavior, horseplay, profane language, obscene gestures, or any unnecessary noise may distract the attention of the driver and therefore is prohibited

- for the safety of all passengers.
3. Students are to keep all parts of their body inside the bus at all times. Littering the bus, vandalism, or throwing anything in or out of the bus will not be permitted. Students will be charged for all damages.
 4. Eating, drinking and gum-chewing are not allowed on the bus.

Students receiving a bus referral will be given the following consequences: Student counseled, parent contacted, detention, and/or bus suspension. *Continued violations/referrals may result in temporary/permanent loss of the bus privilege.*

Students may not change buses without a signed parent note (that will be verified) AND Administrative approval is necessary.

Campus Clubs

We have a number of campus clubs in which students can become involved. We encourage ALL middle schoolers to join a club. Some of them include:

ABC	Drama
Anime	Evergreen Society
Art	GATE
AVID	HOLA! Spanish Club
BSU	MESA/JBEC
Cheer	WEB
Dumbledore's Army	Yearbook

All Club By-Laws are available upon request through ASB.

1. Activities are attended by JBMS students ***only***. **Students may not attend any activity event if they have been absent from school on the day of the activity.**
2. Tickets must be purchased prior to the activity unless otherwise announced.
3. Students are to remain at the activity until the end, or unless released by staff. **Students should be picked up within ten (10) minutes after the activity ends; otherwise, you may be excluded from the next activity.**
4. Students are expected to follow all school rules, dress code policy, and behave accordingly.
5. All students who are eligible may attend the activity.
6. Late buses are available for students who participate in after-school activities; including tutoring, and/or after school detention. All students whose ride is not at JBMS at 3:55 p.m. will ride the late bus. The late bus leaves JBMS at 4:00 p.m. and drops off the students at **Crestmore Elementary, Lewis Elementary, and Marygold & Palmetto.**

A full schedule of Student Body activities are planned and organized by the Student Council in cooperation with the Administration and the Leadership Advisor. Assemblies, dances, and special days are planned for the students. Participation in extracurricular activities depends on good student behavior. Seventh grade students planning to run for Student Body office for eighth grade must have a "C" average on their second semester report cards. At this grading period and following the election, they must maintain the "C" average and be involved in no serious behavior problems.

Campus Security

JBMS provides adult supervision before school, lunch, and after school. Campus Security, Campus Supervisors, along with authorized adults, provide ongoing supervision to ensure student safety.

Change of Address and Phone Numbers

During the school year, should you change phone numbers or move--remaining within the JBMS boundaries--an authorized parent or guardian will notify the office of your new address or telephone number. **For emergency reasons, it is extremely important to keep this information updated.**

Students moving out of the Joe Baca Middle School attendance boundaries who want to remain at JBMS must apply for an Inter/Intra-district Transfer through the Student Services Department. Proof of application must be submitted to the School Office or student will be dropped from our rolls. If you plan to move out of the Colton Joint Unified School District attendance area, you must notify the School Office that you are dropping. You must return all your textbooks and make sure that your PE locker has been cleaned out and your lock returned on the last day of your attendance.

Closed Campus Policy

Joe Baca Middle School is a closed campus. Once students arrive on campus (via bus, drop-off or walking), they are required to remain on campus until the end of the school day. Leaving campus without permission is considered truancy. Once students leave campus at the end of day, campus is closed.

Counseling Services

Comprehensive counseling services are provided to all students. Counselors assist students with their academic, career, and personal/social development through classroom guidance as well as individual and group counseling.

Counselors are there to assist students and parents with their educational endeavors and guidance. Students who wish to see their counselor should make an appointment on the online Google Form “Request to meet with counselor”, located in their Advisory Google Classroom.

Parents who need to meet with a counselor should call the Counseling Office and make an appointment to ensure the full attention of the counselor and that information needed for the meeting is available.

The Counseling Assignments for the 2023-2024 are as follows (*Students’ Last Names Letters and both grades*):

A-Gap Mrs. Welzel
Gar-O Ms. Bender
P-Z Ms. Granados

- **Academic Group**
 - This program allows students to learn organizational skills, and academic strategies to be successful in their classes.
- **Anger Management Group**

- This program allows students to resolve conflicts by talking with the Counselor about their problems. Strict confidentiality will be adhered to.
- **Grief Group**
 - This program allows students to share their grief over their loss with other students experiencing grief.

Daily Check-Out Procedures

Parents or Guardians listed on the emergency card, with proper ID, **MUST** come into the School Office to sign the student out for medical, dental, or other kinds of appointments that require them to leave school. All parents/guardians will have their ID checked before the student is released. Students cannot be released to anyone not presenting a valid picture ID. Students not checking out with the Office may be considered truant. If a person other than the parent/guardian requests to check out a student, the School Office will attempt to reach the listed parent/guardian to verify permission for the release. If the parent/guardian cannot be reached, the student will not be released. If a student checks out and returns on the same day, then they must check back in through the Office. If possible, medical and dental appointments should be scheduled after the school day.

Deliveries During School Hours

Classroom deliveries interrupt the learning process by shifting the focus from the subject being learned to the gift being received. The Office cannot accept and will not deliver personal gifts, food items, (fast food, pizza, etc...) homework, PE Clothes, cell phones, money, etc. or “greetings” to students. Please be respectful that our time with your student is for learning. Gifts, flowers, personal greetings, food items, etc., delivered to school will be refused by the Office.

Detention

Detention may be assigned to students for various discipline infractions. Administrative Detentions/Campus Beautification are held Tuesdays and Thursdays. If your student is assigned an Administrative Detention, you will be contacted by the Office. A teacher may assign detention, which is typically 40 minutes after school or 10 minutes at lunchtime. Teachers will inform parents of detention. **A late bus is provided on Monday, Tuesday, Thursday, and Friday and stops at Crestmore Elementary, Lewis Elementary and Marygold & Palmetto.** Please arrange to pick up your child at the appropriate stop. Failure to serve detentions may result in suspension.

Disaster Preparedness Drills

Fire and/or disaster preparedness drills are conducted each semester at the school. These drills are taken seriously and students are expected to follow directions immediately and in a calm manner. The staff has been instructed on specific assignments to follow in case of a major disaster such as an earthquake, fire, etc. Students would be released only to authorized personnel at a specific area on campus in order for the school to know the whereabouts of all students.

- **Earthquake/Disaster/Fire/Lockdown**
 - Practice drills are routinely scheduled throughout the school year. Teachers and students are assigned evacuation areas and all drills are supervised in coordination with the District and School Safety Plans.

Discipline

When large groups of people work and live together for long periods of each day, as we do at JBMS, it becomes necessary to set up guidelines for behavior to help ensure that each individual member of the group can work and move as freely and safely as every other member of the group. These guidelines serve to protect the rights of students and faculty of our school and provide a positive and supportive environment for student growth and learning. Individuals who choose not to respect the rights of others should expect disciplinary action against them to ensure the rights of everyone in our school.

Each student must follow the directions or orders of teachers, staff, and parent volunteers the first time given. Any **student who refuses to comply with a staff member or parent request is guilty of defiance and will be subject to progressive disciplinary action up to and including suspension. These rules are for the safety and well being of all concerned.**

- **Standard of Behavior**

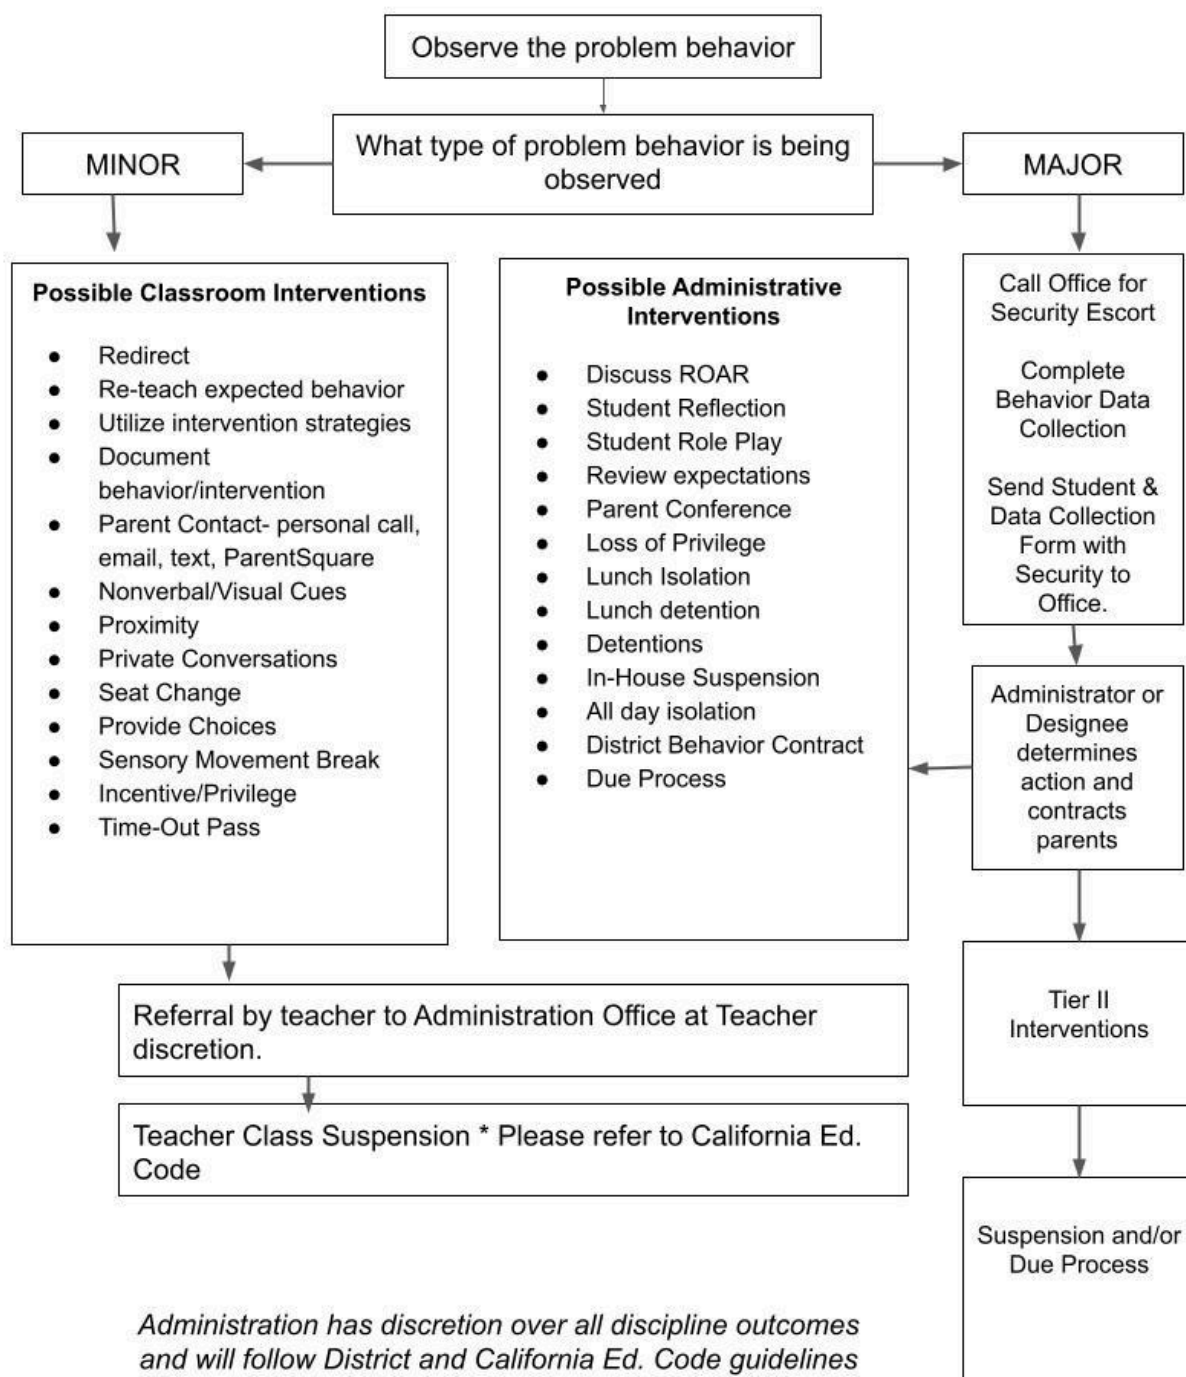

- Students shall observe acceptable standards of behavior--ROAR: **R**espect, **O**n task, **A**ct with integrity, and **R**esponsibility--while going to and from school, attending school, or at school-sponsored activities.

JBMS Behavior Management Flowchart

District Due Process Hearing

District Due Process hearings may be requested for students who continue to have serious and/or repeated behavior problems. If the school has tried several interventions (for example: counseling with the student and parent, class adjustments, used detentions, suspensions, or being placed on the District's Site Behavior Contract) and the student continues to misbehave, a District Discipline Due Process Hearing may be requested. At that meeting, which is held at the District Office in Colton, District Administrators may recommend:

- Returning the student to JBMS.
- Transferring the student to Washington Opportunity Program or another comprehensive site.
- Expulsion Hearing, which means students are permanently removed from the Colton Joint Unified School District. The District will provide parents and students with copies of their rights and provide Due Process prior to expulsion.

- **Immunization Requirements**

California law requires all 7th grade students to have received all their necessary immunizations including Hepatitis B and Tdap in order to enroll in school. This is extremely important to safeguard your child from disease. If your child is in need of immunizations, there are free clinics available. Please see the Health Assistant for further information.

Long term projects, such as book reports, projects and research papers may also be assigned in addition to the regular homework assignments. Students are encouraged to record their homework assignments daily in their required Student Agenda. Parents are encouraged to check the agenda regularly and may write notes to the teachers in the space provided. Teachers are accustomed to signing and writing brief notes to parents upon request. In case of absence, students have one day plus the absent day to complete their work.

- **It is recommended that Parents:**

- Designate a place with good lighting for students to do their work.
- Teach students to set priorities and budget time.
- Encourage the students to complete homework on a regular basis.

Promotion/Acceleration/Retention (BP 5123)

Students between grades 2 and 3 and grades 3 and 4 shall be identified primarily on the basis of their level of proficiency in Reading. Proficiency in Reading, English Language Arts, and Mathematics shall be the basis for identifying students between grades 4 and 5; between Intermediate and Middle School grades; and between Middle School grades and High School grades (Education Code [48070.5](#)). If a student does not have a single regular classroom teacher, the Superintendent or Designee shall specify the teacher(s) responsible for the decision to promote or retain the student (Education Code [48070.5](#)). Retention of a student between the end of the 8th grade and beginning of 9th grade shall be based on the recommendation of the

language arts and/or mathematics teacher and the Principal or Principal's Designee.

In review of the student's progress in the core content areas, deficiencies in one academic area will not be sufficient to recommend retention. Retention shall not be considered if the support and interventions offered in the next grade level will address any academic deficiencies. The teacher's decision to promote or retain a student may be appealed in accordance with AR 5123 - Promotion/Acceleration/Retention.

Retention of Special Education students shall be determined by the Individualized Education Program (IEP) team in consultation with the Director of Student Personnel Services or Designee. Students shall not be considered for retention if they have been previously retained. Although promoted, English Language Learner students may be considered at-risk and shall be eligible for interventions designed to assist students in learning English and acquiring core academic content knowledge.

Retention of English Language Learners shall be determined by their teacher and be based on progress in their designated program. The Superintendent or Designee shall establish procedures outlining the basis for retention of English Language Learners.

All English Language Learner students, not only those considered for retention, are eligible for interventions designed to assist students in learning English and acquiring core academic content knowledge. Retention is considered as an intervention only after all others have failed and the student is not making adequate progress.

When a student is recommended for retention or is identified as being at-risk-for-retention, the Superintendent or Designee shall offer an appropriate program of remedial instruction to assist the student in meeting grade-level expectations. (Education Code [48070.5](#))

Report Cards

Report cards reflect current grades for the amount and quality of work produced in each class, as well as citizenship and work habit behaviors. Report cards are issued at the conclusion of each of the four (4) grading periods that end in October, December, March, and June. Only the second and fourth report cards are part of the student's permanent record.

Restroom

Students will use the school restrooms for their intended purpose. Students are responsible for keeping restrooms clean and orderly. Restrooms may be used before school, during lunch, during passing periods between classes and after school. Students may use the restroom during class time and only with a signed valid JBMS restroom pass from the teacher. Students should be using the restroom nearest their classroom. Students caught in the restrooms without a signed pass can be considered truant.

Parents/guardians visiting the campus: Please be advised we do not have public restrooms available. Designated restrooms are available to visiting adults only during regularly scheduled site events.

Schedule Changes

Class schedules in the Middle School setting are derived from students participating in the Core program classes (Language Arts, Math, Science, Social Studies, and PE). All other courses used to fill out your child's schedule are considered Selectives and are driven by the amount of space and your child's schedule. The definition of a Selective is an enrichment or support class that a student may be placed in to advance their academic prowess. Some Selectives are based on applications such as ASB, AVID, and Yearbook; while others may be teacher recommendations which would be Spanish II, Intermediate, and Advanced Band. All other school Selectives are driven by student numbers; and as a result, are not requestable. ***Students enrolled in yearlong Selectives must complete the entire year for full credit towards promotion credit; students are not to transfer out at the semester or quarter.***

Beginning of the Year Protocol to 1st Quarter

1. Schedule changes the 1st week of school are for ensuring all students have the core classes only. (Math, Science, Social Studies, Language Arts and PE).
2. Parent and student requests will **not** be honored.
3. After the 20th day of school, schedule changes may occur for balancing classes to meet the District Class Size Policy.

During 2nd Quarter to the End of the 1st Semester

1. Schedule changes may be requested by Administration/Counseling/Parents.
2. Administration/Counseling will review the request and determine eligibility.

At the End of the Semester

1. Teachers may request students to move out of support (with evidence and alternate plan) or from an advanced class to a core class. In all cases, the teacher must contact the parents as to the reasons why.
2. Schedule changes may be requested by Administration/Counseling/Parents.

During 3rd Quarter to the End of the 2nd Semester

1. Schedule changes may be requested by Administration/Counseling/Parents.
2. Administration/Counseling will review the request and determine eligibility.

Search and Seizure - BP 5145.12(a)

The Board of Education is fully committed to promoting a safe learning environment; and, to the extent possible, eliminating the possession and use of weapons, illegal drugs, and other controlled substances by students on school premises and at school activities. As necessary to protect the health and welfare of students and staff, school officials may search students, their property, and/or District property under their control and may seize illegal, unsafe, or otherwise prohibited items.

The Board urges that employees exercise discretion and good judgment. When conducting a search or seizure, employees shall act in accordance with law, Board policy, and Administrative Regulation.

The Superintendent or Designee shall ensure that staff who conduct student searches receive

training regarding the requirements of the District's policy and Administrative Regulation and other legal issues, as appropriate.

Individual Searches: School officials may search any individual student, his/her property, or District property under his/her control when there is a reasonable suspicion that the search will uncover evidence that he/she is violating the law, Board policy, Administrative Regulation, or other rules of the District or the school. Reasonable suspicion shall be based on specific and objective facts that the search will produce evidence related to the alleged violation. The types of student property that may be searched by school officials include, but are not limited to: lockers, desks, purses, backpacks, student vehicles parked on District property, cellular phones, or other electronic communication devices.

Any search of a student, his/her property, or District property under his/her control shall be limited in scope and designed to produce evidence related to the alleged violation. Factors to be considered by school officials when determining the scope of the search shall include the danger to the health or safety of students or staff, such as the possession of weapons, drugs, or other dangerous instruments, and whether the item(s) to be searched by school officials are reasonably related to the contraband to be found. In addition, school officials shall consider the intrusiveness of the search in light of the student's age, gender, and the nature of the alleged violation.

Employees shall not conduct strip searches or body cavity searches of any student. (Education Code [49050](#)). Searches of individual students shall be conducted in the presence of at least two District employees. The Principal or Designee shall notify the parent/guardian of a student subjected to an individualized search as soon as possible after the search.

Use of Metal Detectors: The Board believes that the presence of weapons in the schools threatens the District's ability to provide the safe and orderly learning environment to which district students and staff are entitled. The Board also believes that metal detector searches offer a reasonable means to keep weapons out of the schools and mitigate the fears of students and staff.

The Superintendent or Designee shall use metal detectors at District schools as necessary to help provide a safe learning environment. He/she shall establish a plan to ensure that metal detector searches are conducted in a uniform and consistent manner.

COLTON JOINT UNIFIED SCHOOL DISTRICT Policy adopted: September 3, 2015 Colton, California.

Sexual Harassment

It is unlawful for students or employees to engage in sexual harassment, which is defined as unwelcome sexual advances, requests for sexual favors and other verbal, visual or physical of a

sexual nature, made by someone in the work or educational setting, including social media. The conduct must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile or offensive environment.

Stairs & Railings

Appropriate behavior must be followed at all times on the stairways. Joe Baca Middle School has zero tolerance for inappropriate behavior (spitting, horseplay, throwing objects, pushing, etc.). Students will be referred to Administration for consequences.

State Testing

Competency tests for Reading and Math are embedded in the CAASPP (State Test) taken in the Spring by all students. Students participating in our English Language Learner Program will take an annual ELPAC (English Language Proficiency Assessments for California) Test annually.

Suspension

Suspension means that students are removed from the school for a specific period of time. Students may not attend any school functions during the time of suspension, and may not be on the campus during regular school hours.

Tardy Policy

Students who are not in their seat/on PE Number when the tardy bell rings are in violation of the Tardy Policy. Students who arrive late to school will be sent directly to their classrooms up until 8:05 with no pass. Students arriving after 8:05 will need to sign in with the Attendance Office. Students arriving after 8:10 will need to receive a tardy pass. Students will be marked tardy or present depending on the possession of a parent excuse note. Students may make up tardies by attending Saturday Academy as long as they have no absences. *Our goal for the year is to decrease 1st period tardies and need parent help in doing so. Please drop your student off no later than 7:50 in order to ensure they are not tardy.*

The following is the tardy policy progressive intervention program:

- **1st tardy:** Teacher verbal warning to student.
- **2nd tardy:** Teacher conference with student & phone call home or Blackboard message.
- **3rd tardy:** Teacher chosen intervention and parent phone call or some form of documentation of parent acknowledgement of tardies.
- **4th tardy:** Inform student of 4th tardy and referral will be sent to the Office for counseling.
- **5-9 tardy:** Teacher writes a referral to the AP office. Student stays in class. Admin interventions.
- **10th tardy:** Students placed on tardy contracts and weekly routing slips.

Tardy Sweeps

Tardy Sweeps will be randomly conducted throughout the year. If caught in a Tardy Sweep lock-out, an Administrative Detention will be issued. **If caught in other tardy sweeps, you will receive progressive disciplinary consequences by Administration, such as counseling referral, after school detention, referral to Administration.**

Telephone Calls

Student use of the office telephones are for **EMERGENCY PURPOSES ONLY**. Phone calls to

parents are not allowed for the purpose of club meetings, tutoring, and detentions; forgetting lunch money, homework and P.E. clothes. School-related activities are announced in advance and classroom assignments are the responsibility of the student. Parents are asked to limit messages to students to emergencies only. Reminding students to ride the bus or pick up siblings should be done prior to students leaving for school. Only emergency messages will be related to the students during the day.

Textbooks

Textbooks that are issued to the student, are the **RESPONSIBILITY** of the student and their parent/guardian. Textbooks are to be returned before the student checks out of the school, or at the close of the semester or school year.. Most textbooks cost \$60 to \$100 and students will be expected to pay for books they have not returned and/or pay for damage done to books issued to them. One set of consumable workbooks is issued to students. If a workbook is lost, a replacement needs to be purchased. ***Please be reminded: Unpaid Library fines carry with students throughout the school system, and will affect promotion status.***

Vandalism/Graffiti

The parent or guardian of any minor who willfully defaces or damages any property belonging to the District or to a District employee will be liable for all damages caused by the minor, up to \$10,000. Graffiti is considered by the District to be an act of property damage.

Visitors

Students are not permitted to bring visitors (i.e., friends, relatives) at any time, as JBMS is a closed campus. In addition, the school has no legal authority to help persons not enrolled as regular students in case of illness, accidents, or emergencies. Parents and other adult visitors are welcomed at school. We request you follow the procedures below to ensure student and staff safety:

- When school is in session, parents or visitors must sign in the front office, produce a valid ID to be screened through the Raptor system.
 - A visitors badge will be issued and is to be worn the entire time the visitor is on school campus.
- Visits to observe programs or students must be arranged **in advance and cannot disrupt the educational program.**
- During class time, teachers will not be available for conferences. Conferences may be scheduled during a teacher's prep time, before or after school.

All visitors are expected to leave promptly when their business is completed.

Positive Norms to Encourage in Math Class

By Jo Boaler

1. Everyone Can Learn Math to the Highest Levels.

Encourage students to believe in themselves. There is no such thing as a “math” person. Everyone can reach the highest levels they want to, with hard work.

2. Mistakes are Valuable

Mistakes grow your brain! It is good to struggle and make mistakes.

3. Questions are Really Important

Always ask questions, always answer questions. Ask yourself: why does that make sense?

4. Math is about Creativity and Making Sense

Math is a very creative subject that is, at its core, about visualizing patterns and creating solution paths that others can see, discuss and critique.

5. Math is about Connections and Communicating

Math is a connected subject, and a form of communication. Represent math in different forms eg words, a picture, a graph, an equation, and link them. Color code!

6. Depth is much more Important than Speed

Top mathematicians, such as Laurent Schwartz, think slowly and deeply.

7. Math Class is about Learning not Performing

Math is a growth subject, it takes time to learn and it is all about effort.
