Why do you want to be a tutor?

How will you deal with students who misbehave?

As a tutor, you are an employee of CJUSD and you represent the AVID program. You must abide by district/school rules, dress appropriately, and not have inappropriate contact with students (including but not limited to dating, driving students, parties, texting, social media, etc.).

In addition, a tutor is a crucial component of the AVID program. The AVID tutor must be available during the tutoring hours. If you are no longer available to tutor during tutoring hours, we will not be able to accommodate your schedule and will have to hire a replacement tutor for you.

- **All new AVID tutors must be AVID Trained and certified, which is 1-day training in Riverside. This is usually one Saturday. More information will be provided if you are hired. You will not be able to tutor if you do not complete the certification.**
- **To be hired by the school district you must be fingerprinted (cost approx \$60) and go through district hiring procedures.**

Additionally, throughout the year, we will have monthly lunch meetings to make sure that we are all working together for the best of our AVID program. We want your feedback and insight, because you are a valuable part of our programs!!

I agree to the above if I am hired as CJUSD AVID Tutor.
