

**Introduction:**

**LEA:** Colton Joint Unified School District    **Contact (Name, Title, Email, Phone Number):** Celia Gonzales, Director of School Improvement and Accountability, Celia\_gonzales@CJUSD.net, 909-580-5000    **LCAP Year:** 2015-16

***Local Control and Accountability Plan and Annual Update Template***

*The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies’ (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.*

*For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.*

*For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.*

*Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.*

*The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.*

*For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.*

**State Priorities**

*The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.*

**A. Conditions of Learning:**

**Basic:** *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

**Implementation of State Standards:** *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

**Course access:** *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

**Expelled pupils (for county offices of education only):** *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

**Foster youth (for county offices of education only):** *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

**B. Pupil Outcomes:**

**Pupil achievement:** *performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)*

**Other pupil outcomes:** *pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)*

**C. Engagement:**

**Parental involvement:** *efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)*

**Pupil engagement:** *school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)*

**School climate:** *pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)*

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

**Instructions:** Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA’s goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies;; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA’s process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
<p><b>District Demographics:</b> Colton Joint Unified School enjoys a diverse enrollment of over 23,000 students in a transition kindergarten through 12th grade setting. Additional educational programs include preschool, Headstart and Children’s Center pre-kindergarten programs, as well as continuing educational opportunities beyond the 12th grade for qualified special education students and students approved for fifth year of high school attendance. The district serves a broad geographic area which includes the cities of Colton, Bloomington and Grand Terrace, as well as portions of Fontana, Rialto, Loma Linda, and San Bernardino. The district maintains 18 elementary schools, (K-6), 4 middle schools (7-8), 3 comprehensive high schools (9-12), a continuation high school and an alternative high school.</p> <p>The District consists of 83.53% unduplicated pupils (English Learners, Low Income and/or Foster Youth) as of the 2nd interim reporting period. Based upon this data, resources in the plan are being allocated to support the achievement of all students, with additional actions and services provided to English Learners, Low Income and Foster Youth Students.</p> <p>The district’s stakeholders include DELAC, DAC, the Board of Education, the Superintendent’s Community Cabinet, parents, students, the certificated and classified bargaining units and administration.</p>	

**District Steering Committee:**

Beginning in October of 2013, the Colton Joint Unified School District established a steering committee to provide direction to the development of the LCAP. The steering committee met monthly beginning in October until the plan was finalized for draft presentation in April 2014.

A smaller sub-committee was created to work on the writing portion of the LCAP after the steering committee had discussed the general priorities of the district, the board and the community.

The writing sub-committee was presented with information from the following sources before beginning the discussions on the goals for the district:

- California Healthy Kids Survey (School Climate)
- Discipline and Expulsion 3-year Comparisons (School Climate)
- Title III Improvement Plan Performance Goals (Pupil Achievement )
- CDE Title III Accountability Report
- DELAC Annual Report (Pupil Achievement , Parent Involvement)
- District Profile (Pupil Achievement )
- Numerically significant subgroups
- LCAP District Data portrait (Pupil Achievement , Course Access)
- CDE Career and Technical Education enrollment and passage rates (Pupil Achievement , Course Access)
- Student Information System A-G Monitoring report (Pupil Achievement , Course Access)
- CDE Dataquest Completion rates for UC/CSU courses (Pupil Achievement , Course Access)
- Advanced Placement Exam Passage Rates (Pupil Achievement , Course Access)
- CDE School Quality Snapshots (Pupil Achievement )

**Stakeholder Engagement:**

Three community forum meetings were held in the evenings on March 11, 2014, March 18, 2014 and March 20, 2014 to provide parents, community members and staff an opportunity to learn about the LCAP and provide feedback on their educational values. These meetings were held in three different locations representing the three major geographical locations of the district; Bloomington, Colton and Grand Terrace. Approximately sixty parents, staff, students and community members attended to learn about the LCAP and to provide their feedback on the values they want represented for students in the plan.

A website was created to publish information about the LCAP to the broader community. Information posted on the website includes a timeline for the development of the plan, an FAQ, the state priorities, a copy of the community meeting presentation, and an e-mail link to send comments relating to educational priorities to the district. Through the e-mail link, several parents and staff members shared their ideas for the priorities of the district and the programs they would like to see implemented in the district.

On February 11, 2014, the Board of Education participated in a consensus building workshop for the LCAP to identify their priorities for the district. Together, they identified eight values that are closely

**District Steering Committee:**

The District Steering Committee and the smaller writing sub-committee provided active feedback and discussion on the goals that the district wants to achieve. The goals were developed following monthly meetings with the stakeholders involved in the committee, which reflect the state priorities, the board values and the priorities of the Superintendent’s Community Cabinet. The values of the stakeholders were ultimately represented in the plan as the goals that our district hopes to accomplish through the LCAP.

**Stakeholder Engagement:**

The feedback obtained through the community forums, the steering committee, the board values, written comments, school site principals, teachers and other employees demonstrated many common themes including student support for academic, emotional, social and health needs.

Through the development of the LCAP, the parents, community members, students, and staff reinforced the goals of the state priorities, board values, and Community Cabinet priorities. The steering committee and the writing committee were able to take this unified vision and develop a plan that established an increased level of services and interventions to help our students succeed.

Following the launch of the district LCAP website, several e-mail responses were received from teachers, classified staff, and parents, including the desire to reinstate the elementary counselors, the need to restore health services to students, the need for elementary assistant principals, and the need to provide support services to struggling students. Those ideas, which mirror discussions from the committees, are represented throughout the plan.

The verbal comments and questions shared during the presentation of the plan to the DELAC and DAC committees were very well aligned with the goals that had been established and included comments on

related to the state identified priorities.

**Board Value 1:** Safe and positive environments lead to healthy climates

**Board Value 2:** All students must have the opportunity to be learn and be successfull.

**Board Value 3:** Educators need quality staff development and collaboration for effective teaching.

**Board Value 4:** Students need equal access to preparation for college and career pathways.

**Board Value 5:** Staff must be caring, helpful and qualified to encourage students.

**Board Value 6:** Parent and community invovlement is needed and important to the development of our students.

**Board Value 7:** All students must have access to quality programs.

**Board Value 8:** All students must have quality resources to excel.

The draft LCAP was shared with both District English Language Advisory Committee (DELAC) and the District Advisory Council (DAC) during a joint meeting held on April 23, 2014. DELAC and DAC were presented with an overview of the plan, which was available in English and Spanish and had an opportunity to ask questions about the plan. In addition, attendees were provided the website address, which is also available in Spanish, and the e-mail address to submit additional written questions.

The Superintendent has developed a community involvement process called Community Cabinet which brings together stakeholders throughout the district, including parents, DELAC representatives, local business owners, higher education representatives, local charities, faith based organizations, and community members. The Community Cabinet identified four priority areas, which also served to guide the steering committee during the development of the LCAP.

**Community Cabinet Priority 1:** Early preparation for school

**Community Cabinet Priority 2:** Mental and physical health and awareness

**Community Cabinet Priority 3:** Literacy

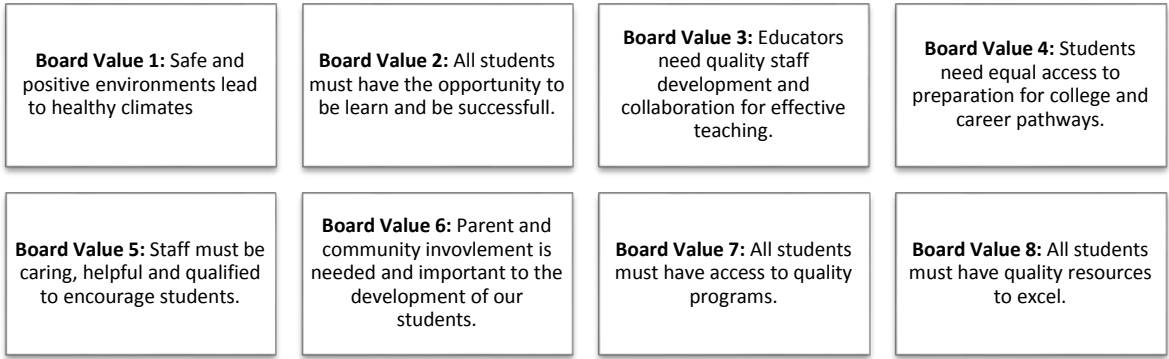

**Community Cabinet Priority 4:** Academic and career readiness

To integrate the ideas and feedback from our local foster families, the district scheduled a foster family forum on March 25, 2014; however, despite several messages advertising the meeting, we did not have any attendees.

the integration of computer skills into elementary classrooms, the need for additional counselors, including training for counselors on college going requirements, cleanliness of schools, staff development, classroom to parent communication and the calculations to determine the site allocations of funding. Many of the questions were clarifying questions and were answered through the course of the meeting.

<p>Two school site principal forums were held to gain feedback from the principals on the needs of their sites. Site principals participated in small group discussions on the state priorities, board values and community cabinet priorities to identify programs and positions on their campuses needed to increase and improve services to students. School site principals were also instructed to speak with their teaching staff to solicit feedback on the development of the LCAP. Many of the responses incorporated items that were discussed during the steering committee and writing committee meetings, including the reinstatement of the elementary counselors, addition of more health services personnel, increased technology, and improved custodial services.</p> <p>On March 4, 2014, a mass e-mail was sent to all district employees advertising the district's LCAP website and providing a link for staff to present ideas and feedback.</p> <p>Meetings were held with the Associated Student Body (ASB) leaders at all five high school sites to discuss their educational goals and what programs and services the district can provide to support them.</p>	
<p><b>Annual Update:</b></p> <p><b>2015/16 Annual Update:</b> The Colton Joint Unified School District consists of 82.73% unduplicated pupils (English Learners, Low Income and/or Foster Youth). Based upon this data, resources in the plan are being allocated to support the achievement of all students, with additional actions and services provided to English Learners, Low Income and Foster Youth Students.</p> <p>The district's stakeholders include:</p> <ul style="list-style-type: none"><li>• Students</li><li>• Parents</li><li>• DELAC</li><li>• Board of Education</li><li>• Superintendent's Community Cabinet</li><li>• Certificated and classified bargaining units</li><li>• District and site administration</li></ul> <p><b>District Steering Committee:</b> Beginning in December of 2014, the District re-established a steering committee to provide direction to the development of the LCAP. Steering committee membership included representation from district office administration, site level administration, elementary and secondary teachers, certificated bargaining unit, classified bargaining unit, special education staff, health services staff, DELAC, and parent representatives. The steering committee met monthly beginning in December until the plan was finalized for draft presentation in May 2015. The steering committee held meetings on December 12, January 15, March 5, April 16 and May 21.</p> <p>A smaller sub-committee was created to work on the writing portion of the LCAP after the steering committee had discussed the general priorities of the district, the board and the community. The writing sub committee met on February 12, February 26, March 5, March 12, April 6, and May 7. The writing</p>	<p><b>Annual Update:</b></p> <p><b>District Steering Committee:</b> The District Steering Committee and the smaller writing sub-committee provided active feedback and discussion on the programs and services that were proposed based on the collaborative goals that were established. The programs and services were identified and selected following regular meetings with the stakeholders involved in the committee, and which ultimately reflect the state priorities, the board values and the priorities of the Superintendent's Community Cabinet.</p> <p>After evaluating the district's progress on the 2014-15 LCAP, the steering committee elected to condense the original twenty-three goals into nine goals, while still maintaining the programs and services that were developed to achieve those goals.</p> <p>The steering committee maintained its focus on the eight state priorities, as well as the eight board</p>

<p>sub committee consisted of volunteers from the steering committee and included district office administration, site level administration, certificated bargaining unit, classified bargaining unit, elementary and secondary teachers, special education staff, and parent representatives.</p> <p>Both the steering committee and writing sub-committee were presented with data reflecting progress towards the established goals of the 2014-15 LCAP. That data was reviewed and evaluated to identify services and programs needed to improve student achievement in 2015-16.</p> <p>The district shared specific data relating to the goals, including career pathways enrollment, 'a-g' completion rates, AP exam passage rates, graduation rates, Algebra I passage rates, English proficiency and reclassification rates, reading proficiency rates, student performance data, attendance rates, drop-out rates, and suspension and expulsion rates.</p> <p><b>Stakeholder Engagement:</b> A website was created to publish information about the LCAP to the broader community. Information posted on the website includes a timeline for the development of the annual update, a copy of the 2014-15 LCAP, an FAQ, the state priorities, a survey and an e-mail link to send comments relating to educational priorities of the district.</p> <p>A district-wide telephone message was broadcast to inform parents, particularly parents of low-income, English learner and foster youth, and students of the availability of the survey, as well as a district wide email to all employees inviting participation. The survey queried parents, students, staff and the community about what programs and services they felt would best accomplish the goals of the plan. Through the survey, over 200 parents, students, community members and staff shared their ideas for the priorities of the district and the new programs they would like to see implemented in the district. At the high school level, principals held discussions with groups of students to gain feedback on the goals of the plan and solicit input on their perspectives for services. Survey respondents included parents of low-income students, parents of English learner students, foster youth families, certificated bargaining unit members, classified bargaining unit members, and administration.</p> <p>On February 11, 2014, the Board of Education participated in a consensus building workshop for the LCAP to identify their priorities for the district. Together, they identified eight values that are closely related to the state identified priorities and which continue to be identified in the 2015-16 Annual Update.</p>	<p>values and the four community cabinet priorities in evaluating the services and programs for the 2015-16 LCAP.</p> <p><b>Stakeholder Engagement:</b> The discussions held during the meetings of the steering committee, the board values, written comments, school site principals, teachers and other employees demonstrated many common themes including student support for academic, emotional, social and health needs.</p> <p>Through the development of the LCAP, the parents, community members, students, and staff reinforced the goals of the state priorities, board values, and Community Cabinet priorities as evidenced in the survey results. The steering committee and the writing committee were able to take this unified vision and develop a plan that established an increased level of services and interventions to help our students succeed. The survey elicited several dominant ideas, such as career education, support for the English learners and support for teachers working to master the new standards. These themes helped the district designate specific support services towards those goals, including expansion of career pathways, math and English learner intervention teachers, and dedicated teacher collaboration time. In addition, during the presentation to DELAC, the members overwhelming supported the restoration of crossing guard services at the elementary level as a method of ensuring student safety and supporting school climate.</p> <p>During discussions with high school students, career education, math and English support continued to be a central focus and aligned with the survey responses from parents, teachers, and other staff as well as to the services and interventions proposed through the steering committee and shared by DELAC.</p> <p>Foster families provided feedback specific to the needs of foster youth and emphasized the need for support towards graduation, academic proficiency, and engagement opportunities. The continuation of services from the 2014-15 LCAP, which are represented in the 2015-16 LCAP, will provide the support those families referenced including the implementation of PBIS, the use of the student services counselor, as well as the academic support and expansion of career pathways.</p>
--	---

The draft LCAP was shared with the District English Language Advisory Committee (DELAC) during a meeting held on April 22, 2015. DELAC was presented with an overview of the plan, including proposed programs and services, in English and Spanish and had an opportunity to ask questions about the plan. DELAC was also provided access to the survey and encouraged to respond. Approximately ten DELAC participants provided direct feedback through the survey through the assistance of the district translator/interpreter.

The Superintendent has developed a community involvement process called Community Cabinet which brings together stakeholders throughout the district, including parents, DELAC representatives, local business owners, higher education representatives, local charities, faith based organizations, and community members. The Community Cabinet identified four priority areas, which also served to guide the steering committee in the development of the Annual Update and the 2015-16 update of the plan. Community Cabinet was presented with information about the LCAP on April 23, and were invited to complete the survey available on the web site.

The Student Services Counselor hired under the 2014-15 LCAP facilitated involvement through the area's foster families and encouraged responses to a survey tailored to the support needed for foster youth.

Periodic updates were provided to the Board of Education including formal presentations completed on February 20 and May 7, an informal update during the meeting held on March 12 and April 16. Correspondence updates were also provided to the board to keep them apprised of the progress of the work being completed in the Steering and Writing committees on November 14, January 16 and May 13.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA’s goals. Duplicate and expand the fields as necessary.

**Goal:** Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

**Related State and/or Local Priorities:** Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

**Identified Need:** Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

**Schools:** Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

**Applicable Pupil Subgroups:** Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

**Expected Annual Measurable Outcomes:** For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

**Action/Services:** For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

**Scope of Service:** Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

**Pupils to be served within identified scope of service:** For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

**Budgeted Expenditures:** For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

**Guiding Questions:**

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA’s budget?

GOAL:	1. Increase the number of students who graduate and are prepared for college and/or a career.		Related State and/or Local Priorities: 1 _ 2 _ 3 _ 4 <u>X</u> 5 _ 6 _ 7 <u>X</u> 8 _ COE only: 9 _ 10 _ Local : Specify <u>Board Value 2: Student Opportunities,</u> <u>Board Value 4: Equal access, Community Cabinet 3:</u> <u>Literacy, Community Cabinet 4: Academic and career</u> <u>readiness</u>	
Identified Need :	<b>Baseline:</b> In 2014-15 the district established and maintained a total of eight industry focused career pathways and increased enrollment in Linked Learning pathways to 379 students. In addition, a variety of career focused classes, including introductory, concentration and capstone courses exist through a partnership with the Colton, Redlands, and Yucaipa Regional Occupation Program (CRY-ROP). <b>Identified Need:</b> The district will continue to support the implementation of the eight Linked Learning career pathways and increase the number of students enrolled in the programs.  <b>Baseline:</b> In 2014-15 the district achieved a 26.5% UC/CSU ('a-g') course complete rate. <b>Identified Need:</b> The district will continue to increase the percentage of students who are prepared for college by completing UC/CSU compliant coursework.			
Goal Applies to:	Schools:	All high schools.		
	Applicable Pupil Subgroups:	All		
LCAP Year 1: 2015-16				
Expected Annual Measurable Outcomes:	<b>Increase the number of pupils enrolled in the eight Linked Learning career pathways to 950.</b> ▫ <b>Required State Metric:</b> Share of pupils that are college and career ready. ▫ <b>Local Metric:</b> Number of pupils enrolled in career pathways. <b>Increase the total percentage of pupils who complete the UC/CSU compliant coursework to 29%.</b> ▫ <b>Required State Metric:</b> Share of pupils that are college and career ready. ▫ <b>Required State Metric:</b> Share of pupils determined prepared for college by the Early Assessment Program ▫ <b>Local Metric:</b> Percentage of pupils completing UC/CSU ('a-g') requirements.

## LCAP Year 2: 2016-17

Expected Annual  
Measurable Outcomes:

**The district will continue to adhere to its established internal purchasing procedures to ensure that all students have access to standards aligned instructional materials, including textbooks, supplementary materials and supplies.**

- **Required State Metric:** Pupils have access to standards-aligned instructional materials pursuant to Education Code § 60119
- **Local Metric:** Audits conducted by SBCSS verifying compliance with Williams settlement requirements.

**The district will continue to practice pre-employment screening and credentialing reviews to ensure staff is properly credentialed in the subject area assigned, including possession of the appropriate authorization to provide instruction to English learner students.**

- **Required State Metric:** Degree to which teachers are appropriately assigned pursuant to Education Code § 44258.9 and fully credentialed in the subject areas and for the pupils they are teaching.
- **Local Metric:** Annual assignment monitoring by SBCSS verifying compliance with credential authorizations.

**The district will continue the staff hired under the 2014-15 LCAP and provide additional maintenance and operations staff to support its efforts to maintain school sites in good repair.**

- **Required State Metric:** School facilities are maintained in good repair pursuant to Education Code § 17002(d).
- **Local Metric:** Audits conducted by SBCSS verifying compliance with Williams settlement requirements.

GOAL:	7. The district will promote parental participation at the school site and district level and provide opportunities for parental input in decision making processes.			Related State and/or Local Priorities: 1 _ 2 _ 3 <u>X</u> 4 _ 5 _ 6 _ 7 _ 8 COE only: 9 _ 10 _ Local : Specify <u>Board Value 6: Parent and Community Involvement , Community Cabinet 2: Mental and physical health and awareness</u>	
Identified Need :	<b>Baseline:</b> The district has an established system of parental participation which includes involvement opportunities through the District Advisory Council (DAC), the District and site level English Learner Advisory Committee [(D)(ELAC)], the site based School Site Council (SSC), booster organizations organized for the benefit of the schools and for a variety of clubs and activities at the secondary schools. Several of the elementary school sites have Parent Teacher Associations (PTA). Community Cabinet, which has several parent representatives, is being used to define priorities of our broader community and develop actions to meet those goals  <b>Identified Need:</b> The district will continue to promote parental participation at the district and individual school site level.				
Goal Applies to:	Schools:	All			
	Applicable Pupil Subgroups:	All			
LCAP Year 1: 2015-16					
Expected Annual Measurable Outcomes:	<b>The district will support parents' efforts to be involved in their child's education by providing support and opportunities for involvement.</b> <ul style="list-style-type: none"><li>▫ <b>Required State Metric:</b> Efforts to seek parent input in decision making at the district and each schoolsite.</li><li>▫ <b>Required State Metric:</b> Promotion of parent participation in programs for unduplicated pupils and special need subgroups.</li></ul>

Annual Update

**Annual Update Instructions:** For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA’s goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Original GOAL from prior year LCAP:	1. Increase the number of pupils who are career ready. What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?			Changes to Goals: Goals 3 and 4 were consolidated into a single goal, which encompasses all of the applicable actions and services. Revised Goal: <i>Increase the number of students who achieve English proficiency and are reclassified.</i>		

Original GOAL from prior year LCAP:	4. Increase the English learner reclassification rate.			Related State and/or Local Priorities: 1 _ 2 _ 3 _ 4 <u>X</u> 5 _ 6 _ 7 <u>X</u> 8 _ COE only: 9 _ 10 _ Local : Specify <u>Board Value 2: Student Opportunity</u> , <u>Board Value 4: Equal access to college and career pathways</u> , <u>Community Cabinet 3: Literacy</u> , <u>Community Cabinet 4: Academic and career readiness</u>	
Goal Applies to:		Schools:	All		
		Applicable Pupil Subgroups:	All students		
Expected Annual Measurable Outcomes:	The percentage of English learner students being reclassified will be increased to 13.7%.			Actual Annual Measurable Outcomes:	The percentage of English learner students reclassified was 11.46%
LCAP Year: 2014-15					
Planned Actions/Services			Actual Actions/Services		
		Budgeted Expenditures			Estimated Actual Annual Expenditures
4A. Continue funding the Language Assessment Center to provide initial CELDT testing for incoming students, and annual testing of continuing English learner students, which ensures proper educational program placement.		Refer to Goal 3	4A. Continued funding the Language Assessment Center to provide initial CELDT testing for incoming students, and annual testing of continuing English learner students, which ensures proper educational program placement. ▫ 1,583 students were assessed on the CELDT through the assessment center, including 1,151 who were given the CELDT for the first time. Annually, 5,125 students were CELDT tested district-wide.		Refer to Refer to Goal 3

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		Changes to Goals: Goals 7 and 8 were consolidated into a single goal, which encompasses all of the applicable actions and services. Revised Goal: <i>Increase the reading proficiency and ELA/Math competency of all students.</i>			

Original GOAL from prior year LCAP:	8. Increase the percentage of students achieving grade level competency in English-Language Arts/Math by the end of sixth grade.		Related State and/or Local Priorities: 1 _ 2 _ 3 _ 4 <u>X</u> 5 _ 6 _ 7 _ 8 <u>X</u> COE only: 9 _ 10 _ Local : Specify <u>Board Value 2: Student Opportunities</u> , <u>Community Cabinet 3: Literacy</u>	
Goal Applies to:	Schools:	All elementary schools		
	Applicable Pupil Subgroups:	All		
Expected Annual Measurable Outcomes:	20% of 6th Grade students will perform At or Above Target in ELA on the district benchmarks.		Actual Annual Measurable Outcomes:	6.8% of 6th grade students performed 'at or above' target in English/Language Arts on the district benchmarks.
	25% of 6th Grade will perform At or Above Target in Math on district benchmarks.			6.3% of 6th grade students performed 'at or above' target in Math on the district benchmarks.
	Maintaining small class sizes at the elementary level, subject to negotiations.			Maintained small class sizes at the elementary level through negotiations to 24:1 in grades K-3 and 30:1 in grades 4-6.
LCAP Year: 2014-15

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?	Changes to Goals: Goals 9, 11, 12 and 13 were consolidated into a single goal, which encompasses all of the applicable actions and services. Revised Goal: <i>Increase student engagement by reducing the incidence of suspension and expulsion amongst students and improve school climate by maintaining high student attendance and reducing the district-wide dropout rate.</i>
--	--

Original GOAL from prior year LCAP:	13. Continue to reduce the district-wide expulsion rates.			Related State and/or Local Priorities: 1 _ 2 _ 3 _ 4 _ 5 _ 6 <input checked="" type="checkbox"/> 7 _ 8 _ COE only: 9 _ 10 _ Local : Specify <u>Board Value 2: Student Opportunities</u> , <u>Community Cabinet 2: Mental and physical health and awareness</u>	
Goal Applies to:	Schools:	All			
	Applicable Pupil Subgroups:	All			
Expected Annual Measurable Outcomes:	The district will lower the expulsion rate an additional 1% (35 Total Expulsions in 2012-13) in 2014-15.			Actual Annual Measurable Outcomes:	The district lowered the total number of expulsions to 28, for an overall expulsion rate of 0.12%.
LCAP Year: 2014-15					
Planned Actions/Services			Actual Actions/Services		
		Budgeted Expenditures			Estimated Actual Annual Expenditures
13A. Implement components of the Positive Behavior Intervention and Support framework to encourage behaviors that promote learning, including good attendance, study habits and behavior to keep students enrolled in school and on-track to graduate and encourage engagement in school.		Refer to Goal 12	13A. Implement components of the Positive Behavior Intervention and Support framework to encourage behaviors that promote learning, including good attendance, study habits and behavior to keep students enrolled in school and on-track to graduate and encourage engagement in school. <ul style="list-style-type: none"><li>Seven sites implemented Tiers I and II of the frameworks and received training on Tier III for full implementation</li><li>Twenty other sites received training on Tier I and will implement the frameworks in 2015-16.</li></ul>		Refer to Goal 12

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district's goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$36,892,541
The district's LCFF supplemental and concentration grant target amount at full implementation is estimated to be \$53,558,943. 2014-15 expenditures in support of unduplicated students was \$14,041,293. Using the estimated gap funding percentage for 2015-16 of 53.08%, the increase in estimated supplemental and concentration grant funding is \$18,854,488.	
For the 2015-16 school year, the district is anticipating to allocate approximately \$12 million to actions and services that directly support low income, foster youth, and English learner pupils, including the following new actions and services, which are in addition to the on-going actions and services implemented in 2014-15:	
<ul style="list-style-type: none"><li>- Establishment of a class size maximum at the high school level in English and math support classes, to provide struggling students with individualized support. The class size limit provides teachers an opportunity to provide individualized and small group interventions to students below grade level. This is particularly beneficial to our population of unduplicated students and provides the greatest benefit to English learner students. This service is made available to all students who are below grade level performance; however, it is targeted to provide the highest support to our population of unduplicated pupils. (Goals 1, 2, and 3)</li><li>- Hire three English-Language Arts/English learner teachers on assignment to provide intervention coordination and support for students below grade level in English proficiency at the three comprehensive school sites. There are several intervention programs in place at the high schools to support students in achieving English proficiency, including Read180, Language! OdysseyWare, and summer school. The district is proposing the ELA/EL teachers on assignment to coordinate the interventions provided to those students, as well as provide support for in-class interventions to promote passage of English courses on the first attempt and to increase the English proficiency of students below grade level. This is particularly beneficial to our population of unduplicated students and provides the greatest benefit to English learner students. This service is made available to all students who are below grade level performance; however, it is targeted to provide the highest support to our population of unduplicated pupils. (Goals 1, 2, and 3)</li><li>- In high school, math continues to present a challenge for our students. A high percentage of students continue to struggle with passing Algebra I, as well as higher levels of math, on their first attempt. For all math courses, 32.1% of students did not pass math in the first semester. Specifically in Algebra I, 38.6% of students did not pass Algebra I first semester. Passage of Algebra I on the initial attempt is vital in a student's high school career while failing can have a domino effect on the rest of their education. A student who fails Algebra I must retake the course, resulting in less schedule flexibility to enroll in and complete UC/CSU requirements or career pathways. The high school math teachers on assignment will support students through interventions to pass Algebra I on their first attempt and assist in the coordination of classroom based interventions to ensure students are mastering the concepts. This is particularly beneficial to our population of unduplicated students and provides the greatest benefit to English learner students. This service is made available to all students who are below grade level performance; however, it is targeted to provide the highest support to our population of unduplicated pupils. (Goals 1, 2, and 3)</li><li>- Expand career education to students at an earlier age by developing electives at the middle school level. Career education is key in preparing students for their future after graduation. At the high school level, Linked Learning has resulted in the development of eight career pathways. To expose students to career options at an earlier age, the implementation of middle school electives was proposed. These electives will feed into career pathways available through Linked Learning, as well as through the regional occupation program, CRY-ROP. The middle school career based electives provide increase access</li></ul>	

to career education programs benefitting all students. (Goal 1)

- Supporting open parental communication and involvement opportunities with the assistance of a communications specialist. Engaging parents in our schools begins with effective communication. Through the addition of a communications specialist, the district will be able to provide our parents, and the public, with increased communication on events, awards, activities, and opportunities to participate in their student's education. Technology, especially social media, has provided us many avenues to connect with parents and an additional staff member dedicated to communications will allow the district to improve and strengthen its communications with parents and the larger community. All correspondence issued by the district, through our website and through phone calls continues to be translated and encourages our parents' involvement, particularly with our parents of English learner students. (Goal 7)
- In the summer of 2014, the district re-established the summer school program at the high school level. In 2015, the program will be expanded to the middle school level. Through the 2015-16 LCAP, the district is proposing to expand the program further by offering additional course options and increasing the number of students enrolled. Summer school continues to be the largest intervention available for our secondary school students to remain on track towards graduation. The summer school program is offered to all students, but is of the largest benefit to our population of unduplicated pupils. English learner students, low-income students, and foster youth will benefit from the additional coursework opportunities which gain schedule flexibility, remediation of courses, and an opportunity to complete coursework in preparation for college and/or a career. (Goals 1, 2, 3, 4)
- Support for our special education students has become increasing necessary with the implementation of Common Core, particularly, with our special education teachers who need instructional support while providing instruction to students. Previously, a portion of our instructional assistants were assigned for only five hours per day, leaving additional time for teachers in class with no support. Increasing all special education instructional assistants to six hours per day will provide additional, direct student and teacher support for our special education student population. This provides a targeted benefit to our special education subgroup of pupils. (Goals 1, 3, 5, 6)
- Expand the availability of health related support at the school sites by increasing the number of hours, district-paid, for health assistants. At the elementary and middle school level, the district funds three hours per day for health assistants. Under the LCAP, the committee is proposing to increase the hours to four hours per day district-paid to provide additional support for students with health and medication needs on our campuses. This provides targeted support for the subgroup of students identified under Section 504, as well as to all students who are injured while at school or need medical assistance throughout the school day. (Goals 3, 9)
- Three days of collaboration were proposed to provide release time for core subject, classroom teachers to collaborate on the design and implementation of common core lessons. Core area teachers continue to work towards mastering the Common Core standards and develop lessons which reflect the rigor of the new standards while providing support for students struggling to achieve the new expectations. Collaboration provides a benefit to all students by increasing the base instruction in our classrooms, but provides the greatest benefit to our population of unduplicated pupils. (Goals 1, 2, 3, 5, 6)
- Provide additional instructional support at the elementary school sites through the use of elementary intervention teachers on assignment to provide academic support and intervention coordination on an as needed basis. This supplements an existing team of teachers on assignment at the elementary level and provides support for our English learner student population, as well as all students who are below grade level. In addition to the support for interventions, the duties of these teachers on assignment will include the provision of technology integration support teachers. (Goal 2, 3, 4, 5)
- Support a safe school environment at the elementary level through the reinstatement of crossing guards. In 2011 the district eliminated its agreement to provide crossing guard services at district elementary schools. The district is proposing to restore the agreement and provide crossing guard services through an outside vendor to ensure students and parents feel safe while walking to and from school. (Goal 4)
- Support a safe school environment at the secondary level through the use of two school-based resource officers. Grand Terrace High School and Bloomington High School, as well as their surrounding communities receive law enforcement services through San Bernardino County Sheriff's Department. To provide both schools with the support of a law enforcement officer, the committee is proposing an agreement with the Sheriff's Department to provide Resource Officers to both Bloomington and Grand Terrace High Schools. Resource Officers provide a positive presence on campus, including mentoring students and supporting the tenants of the PBIS frameworks. The PBIS framework, which started implementation in 2014, has expanded to all school sites. Through the LCAP, the district is proposing to continue the growth and integration of the PBIS expectations into every facet of a student's educational environment. The PBIS framework supports the social, emotional and academic achievement of all students, but provides the most support to the district's low-income and foster-youth student populations. (Goal 4)
- Establish an elementary summer enrichment program with Think Together to provide summer educational opportunities. An elementary summer enrichment program provides a opportunity for up to 600 elementary aged students to participate in a structured, six hour day, consisting of activities relating to English, STEM, peer relations, and physical education. Participating students will be provided two meals

each day of the program for a total of 14 days. This opportunity for elementary students supports our efforts to increase academic achievement for elementary students, particularly with English and math and will be aligned with state academic standards. This will provide the largest benefit to our low-income student population. (Goal 3, 4)

- Maintenance positions are an integral piece of the district through their efforts of custodial support, maintenance support, as well as their tie-in to the technology available in our classrooms. The positions proposed through the LCAP include electronics technicians who provide services that directly support the technology integrated into our classrooms as well as services relating to the upkeep of our school site alarm systems. As our need for technology increases, so does the need for maintenance support in this area. One additional maintenance supervisor position is also proposed to provide oversight of the maintenance staff. The increased maintenance support for our schools continues efforts from the prior year to ensure our facilities are maintained in good repair, which provides a benefit to all students. (Goal 5)
- Annually the district provides each site with a direct allocation of funding which it uses to support students achievement in the areas represented in the LCAP. School sites will expend the funding based on their individual site needs, concentrating on improving and increases services to unduplicated pupils. (Goal 8)

Resources are allocated in a district-wide manner based on the total unduplicated pupils across the district. With 82.85% of unduplicated pupils district-wide and no school with less than 40% of unduplicated pupils, the district is able to provide services which support all students.

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

22.13	%
-------	---

The percentage by which services for unduplicated students must be increased or improved as compared to the services provided to all pupils in the LCAP year is calculated at 22.13%. Consistent with the requirements of 5 CCR 15496, the actions and services provided in the LCAP year demonstrate increased and improved services for the unduplicated pupils. Services implemented for the targeted students are being made available to all students based on the percentage of unduplicated students represented in our district.

Actions and services designated above include extensive efforts to increase student achievement and career education, particularly within our low income and English learner populations. At the high school level, providing interventions in math and English offers targeted support for students below grade level through the use of teachers on assignment, and encourages passage of math and English courses on the first attempt. For special education and English learner students, this is especially important with double block classes, which expands their educational program options by granting schedule flexibility to complete UC/CSU requirements and/or career pathways. Establishing a class size maximum also targets increasing student achievement and the desire to support students in passing courses during their first attempt. Again, this is particularly important to special education students and English learners by providing relevant support aligned with the classroom in an individualized or small group setting.

A number of programs are being implemented to assist students on their path to college and careers, including the continued expansion of the summer school program. In 2013, a high school program was implemented. It was expanded in 2014 to include middle school, and will be expanded again in 2015 to include a higher number of students with an increased course selection. The summer school program provides students an opportunity to remediate coursework. The expansion will allow students more educational options and will particularly benefit special education and English learner students.

Efforts to remove barriers to students' success in the classroom continue under the implementation of the PBIS frameworks. The frameworks, which started implementation in 2014, expand to encompass all facets of a student's education, from the school office, to the playground, to the classroom. PBIS frameworks create a stable and predictable learning environment which is particularly beneficial to students of poverty and foster youth who oftentimes have an unpredictable home environment, including high mobility and a lack of structure. The addition of school based resource officers in conjunction with the Sheriff's Department as well as the additional funding support for the programmatic requirements of PBIS reflect the commitment to integrate PBIS expectations district-wide. The PBIS framework provides dedicated and

coordinated behavior support which provides the largest level of support to low income, foster youth and homeless students who need structured support system wherein staff approaches behavior with an understanding of the issues facing students in their home environment.

The focus on career education continues with the 2015-16 LCAP and includes maintaining support for the district's career pathways. In this plan, the district will begin to expose students to career opportunities at a younger age through the implementation of career based electives at the middle school level. With an unduplicated student population of 82.73%, the continued expansion of career focused pathways and courses will provide the greatest benefits to low-income, foster youth and English learner students.

Support for open parental communication and involvement opportunities will be supplemented through the addition of a communications specialist. Engaging parents in our schools begins with effective communication. The district will be able to provide our parents, and the public, with increased communication on events, awards, activities, and opportunities to participate in their student's education. Technology, especially social media, has provided us many avenues to connect with parents and an additional staff member dedicated to communications will allow the district to improve and strengthen its communications with parents and the larger community. All correspondence issued by the district, through our website and through phone calls continues to be translated and encourages our parents' involvement, particularly with our parents of English learner students.

The district has a population of 82.2% students designated as low-income, 25.6% designated as English learner and 0.84% as foster youth resulting in a population of 82.73% of unduplicated pupils. The actions and services are designed to target those unduplicated pupils, although most are made available to all students based on the high percentage of unduplicated pupils district-wide. The proportionality percentage of 22.15% is met by providing targeted services to the unduplicated pupil population, which supplement the programs available to all students in the district, including the PBIS frameworks, the math and English language support, career education, and increasing avenues of parent involvement.

NOTE: Authority cited: Sections 42238.07 and 52064, Education Code. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.5, 47606.5, 48926, 52052, 52060-52077, and 64001, Education Code; 20 U.S.C. Section 6312.

## LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) "Middle School dropout rate" shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) "High school dropout rate" shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) "High school graduation rate" shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

8-22-14 [California Department of Education]
