Colton Joint Unified School District 2023-24 Adopted Budget and Multi-Year Financial Projections

Public Hearing – June 15, 2023 Adoption – June 29, 2023

Local Educational Agencies (LEAs) are required to adopt a budget prior to July 1 of each year in order to authorize the expenditure of funds. The proposed budget is only an initial blueprint for revenues and expenditures since the preparation of the adopted budget occurs before the State has enacted its budget, and before actual revenues and expenditures are known for the current year. In the event that material revisions are necessary, a revised budget will be presented to the Board no less than 45 days after the enacted State budget.

On May 19, 2023, Gov. Gavin Newsom presented the May revision to the proposed state budget. Illustrated below are the latest planning factors:

Narrative

Enrollment is projected to decrease by 2.4% from the current year to the budget year. Per enrollment trends, the District continues to anticipate a decline in its enrollment for the subsequent out years. Average Daily Attendance (ADA) is 90.71% for the current year and is projected to increase to 91.08% in the budget year. Both of these values are below the District's historical average. The District will continue to closely monitor enrollment and ADA and will develop strategies for increasing enrollment and attendance.

As a result of the projected enrollment loss, the District will not be replacing 19 Certificated Non-Management positions in 2023-24. The District will evaluate Classified Non-Management positions in the 2023-24 year to determine staffing needs in 2024-25.

Restricted one-time funding related to the COVID-19 pandemic will begin to expire in September of 2023 through September of 2024. The Multi-Year Projection accounts for the movement of these ongoing expense transferring back to the Unrestricted General Fund

Contributions to restricted programs are expected to increase due to step and column, ongoing salary increases and additional pension costs for restricted programs that receive support from the unrestricted general fund. Except as illustrated below, all federal and state restricted categorical programs are self-funded.

The District is anticipating having positive monthly cash balances during the current and 2023-24 school year. Cash is monitored closely in order to ensure the District is able to meet its obligations.

General Fund Contributions to Restricted Programs

The following contributions of unrestricted resources to restricted programs are necessary to cover restricted program expenditures in excess of revenue.

Program Description	Amount
Special Education, Various Programs	24,147,889
Restricted Maintenance Account	11,585,123
LEA Medi-Cal Reimbursement Program	408,962
Property and Liability	2,600,000
OPEB Contribution	2,108,000
Child Development Fund	1,304,383
Total Contributions	42,154,357

4. CRITERION: LCFF Revenue

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)¹ and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA¹ and its economic recovery target payment, plus or minus one percent.

Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized at budget adoption, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the district governing board and superintendent.
