

Greetings Reche Canyon Families and Friends,

We are excited to welcome you to the 2023-2024 school year!

We look forward to a new year of learning and growing. Our Reche

Coyotes, staff, and families have bounced back from Distance Learning

and have hit the ground running. Our overall school focus this year will be

Improving our school attendance. We know know that even with the best

Instruction, if students are not at school each day, they lose their learning.

Let's work together as a team to ensure our students get the best

education! We will also work on Basic Literacy skills and Math skills

this year. We will continue to support a Growth Mindset for our students

and building a positive and safe school culture and climate. We encourage

our families and friends to be active in our Parent groups on campus. Your

voice and ideas are important to the success of Reche Canyon! We need

You! Best wishes to all of our Coyotes for a successful new school year!

Sincerely,

Ms Pedroza
