Welcome Volunteers!

The volunteer program at the Colton Joint Unified School District (CJUSD) is designed to encourage volunteer participation, while ensuring that steps are taken to protect the safety and interests of our students. We thank you and support your efforts in helping our students and school staff.

A school volunteer is a person who is willing to take time to share wisdom and experience with those on the threshold of the future...our students. A school volunteer helps to expand and enrich the students' learning experiences by working under the direction of school staff and administrators.

Education is a team effort, and volunteers are a very critical part of the school team. Your involvement on our campus shows our students that you are concerned, that you value them as young adults, and that you want to help them succeed and be the best they can be.

It is our hope that the *District Volunteer Handbook* will serve as a reference for our volunteers. These guidelines have been established to provide a highly effective program that ensures a safe environment for the volunteer, the students, and our staff members.

We are extremely appreciative of our community resources and thank you for providing your precious time, individual talents, and expertise as a school volunteer.

Definition of a Volunteer/Chaperone

A volunteer is a person who is at least 18 years old (21 years or older for chaperones), who renders service to the District and its programs without receiving remuneration (monetary compensation, etc.) of any kind. A volunteer may be a parent, District employee (outside of course and scope of employment), or community member who submits an application and completes the necessary requirements to participate in the District's Volunteer Program. Volunteers have student contact in classrooms, on field trips and excursions, and/or through athletic and extracurricular activities. Chaperones shall be assigned a prescribed group of students and shall be responsible for the continuous monitoring of these students' activities.

**Parents participating in "one-time" activities such as: Guest Speakers, Dr. Seuss Day, Superhero Day, etc. do not need to be fingerprinted. Parents participating in groups such as: SSC, ELAC, PTA, PTO, or Boosters, do not need to be fingerprinted unless they are participating in classroom observations, field trips, or as a volunteer at a school site.*

Getting Started

New school volunteers need to complete all requirements PRIOR to volunteering at our schools. The complete list of requirements is explained below.

Prospective volunteers must complete the following:

- Completed Volunteer Application Form at the school site with proof of valid Government issued photo identification, such as California Driver License or California Identification Card.
- Copy of a negative Tuberculosis (TB) clearance taken within sixty (60) days of initial service.
- Copy of a negative COVID-19 test result
- Fingerprint clearance through the State of California's Department of Justice (DOJ).
- **COVID-19**
 - *Vaccinated*
 - New/Returning volunteers are required to provide a copy of COVID-19 vaccination verification with the volunteer's application.
 - *Unvaccinated*
 - New volunteers are required to provide a copy of a negative Covid-19 test results with the volunteer's application.
 - Returning volunteers are required to provide a copy of a negative Covid-19 test result three calendar days before volunteering at any of the school sites.

All requirements are necessary to ensure the welfare and safety of our students.

Fingerprint Clearance

Volunteer applicants recommended by school administration will be contacted by the Human Resources Division for a LIVE SCAN appointment with our District. Volunteer applicants need a valid form of identification at the time of their appointment. This is necessary for the submission of their scanned fingerprints to the State of California's Department of Justice (DOJ).

Volunteers are welcome to have their LIVE SCAN completed elsewhere; however, they will be required to pay the rolling fee of the agency. Human Resources has a list of approved locations. Please contact Human Resources for more information.

Volunteer applicants who have certain types of criminal records, such as felony convictions and misdemeanors related to sex and drug offenses, shall not be cleared to volunteer with students or staff in the Colton Joint Unified School District.

The District will continue to receive Subsequent Activity Reports from the DOJ for as long as the volunteer remains in an active status. A gap of one year or more will require the volunteer to complete a new volunteer clearance process.

Tuberculosis Clearance

All volunteers must have a negative Tuberculosis (TB) clearance administered within the past sixty (60) days of submitting their volunteer application from their family physician, or approved health care agency/provider. A negative TB test is accepted if you are a recurring volunteer within the last 4 years of a negative reading. The cost of the TB clearance shall be borne by the prospective volunteer.

NOTE: If the volunteer has a lapse within the 4 years they will not be considered recurring. Therefore, the volunteer will need to provide a negative Tuberculosis (TB) clearance within sixty (60) days upon return for volunteering.

Tuberculosis cost and locations for Volunteers:

Keystone Industrial Medicine 909-521-8818 Cost \$20.00 and picture identification required.

San Bernardino Health Department 1-800-722-4777 Cost \$20.00 appointment only.

Guideline for Volunteers

Students observe and learn from the behavior of the adults around them. Volunteers are expected to exhibit proper decorum, good manners, and respect and kindness towards students and adults alike. Volunteers should not try to be a peer or buddy to students; our students are best served when adults behave responsibly.

Volunteers serve at the discretion of the administrator, teacher, or other district personnel and should not substitute their own personal judgment for that of the supervisor. For example: volunteers should not introduce new concepts, assign grades to students, call a student's parents, or offer any services not authorized by a District Supervisor. Personal privacy and student safety are of paramount concern.

Volunteers may not:

- Leave students unsupervised.
- Give any information about any student. Requests for student information should be referred to the school office.
- Place their hands on a student.
- Give any food or candy to a student.
- Loan or borrow money from any student.
- Hold any student's property.
- Talk to students about the volunteer's personal life.
- Do not disclose, use or disseminate student photographs or personal information about students, self, or others.

Any questions from the volunteer should be addressed by the site Administrator. District and site Administration have the right to guide or terminate a volunteer's service on campus. Volunteers who believe they have been treated unfairly may speak to the school Principal or site Administrator for any applicable conflict resolution. All volunteers serve at will and their service may be ended without prior written notice.

Volunteering Responsibilities

By volunteering with the Colton Joint Unified School District, you have a responsibility to the District and your fellow volunteers to adhere to certain rules of behavior and conduct. The purpose of these rules is not to restrict your rights, but rather to be certain that the learning environment is not compromised. When a person is aware that he or she can fully depend upon others to follow the rules of conduct, then our organization is a better place to work for everyone. Volunteers should become familiar with the specific rules at the site(s) at which they volunteer.

The following guidelines must be followed by all volunteers:

- Develop a partnership with an assigned teacher or staff member.
- Dress professionally at all times.
- Become familiar with the bell schedule at your school.
- Become familiar with the location of restrooms, school grounds, parking areas, etc.
- Review the school's emergency, disaster, fire, and evacuation procedures.
- Become familiar with the *District Volunteer Handbook*.
- Abide by all applicable school rules and District policies and regulations.
- Maintain a drug-free workplace. Employees and volunteers are prohibited from being intoxicated or under the influence of controlled substances while volunteering; use, possession, or sale of a controlled substance in any quantity while on District premises (except medications prescribed by a physician, which do not impair volunteer performance) is prohibited. Any incident will result in immediate dismissal.
- Do not solicit or sell products, services, etc. on District property.
- Use only adult restroom facilities.
- Do not exchange telephone numbers, home addresses, or email addresses, (including social network information) with students for any purpose.
- Do not disclose, use, or disseminate student photographs or personal information about students, self, or others.
- Do not post, transmit, publish, or display harmful or inappropriate matter that is threatening, obscene, disruptive, or sexually explicit, or that could be construed as any form of harassment.

COVID-19 Weekly Testing

The new COVID-19 Testing/Vaccination Mandate sent on September 21, 2021, a California Department of Public Health Order titled “Vaccine Verification for Workers in Schools”, required that unvaccinated or incompletely vaccinated school employees must be tested at least once weekly. All CJUSD volunteers who have not been verified as “Fully Vaccinated” must test weekly. A week will be determined by calendar. Volunteers will need to test three days prior to volunteering per calendar week.

Effective July 1, 2022 all Volunteers on campus will be required to provide a fully vaccinated Covid-19 Vaccination record or must test weekly and provide a negative Covid-19 test result to Human Resources. The District Will continue to make arrangements for a no-cost, on-site testing option with the Covid Clinic. In addition, volunteers also have an off-site testing option. Please see the details below.
