13 Unit members who wish to have their names published on an annual transfer list must submit a written request  
14 on the District form no later than March 15. Upon request, the unit member shall receive a date stamped copy  
15 of his/her application for transfer.

16 **Section 12.4 - Posting of Positions.** The District shall have the responsibility to determine when and where  
17 there is a vacancy. When a vacancy has been determined to exist, the District will post the position, subject to  
18 the following:

- 19 a. Vacancy is defined as any new or existing position represented by the Association in a school or location  
20 which the District has determined is to be filled by a regular probationary or permanent employee

24 **Section 13.8 - Industrial Accident Leave.**

25 a. **Entitlement** - Unit members will be entitled to industrial accident leave according to the provision in the  
26 California Education Code for personal injury, which has qualified for Worker’s Compensation.

27 1. Such leave shall not exceed sixty (60) days during which the schools of the District are required  
28 to be in session or when the employee would otherwise have been performing work for the  
29 District for the same industrial accident.

30 2. The District has the right to have the unit member examined by a physician designated by the  
31 District to assist in determining the length of time during which the unit member will be  
32 temporarily unable to perform assigned duties and the degree to which a disability is  
33 attributable to the injury involved.

34 3. For any days of absence from duty as a result of the same industrial accident, the unit member  
35 shall endorse to the District any wage loss benefit check issued by the District through the

1 insurance carrier or agent which would make the total compensation from both sources exceed  
2 100 percent of the amount the unit member would have received as salary had there been no  
3 industrial accident or illness.

4 4. If the unit member fails to endorse to the District any wage loss disability indemnity check  
5 received on account of the industrial accident or illness as provided above, the District shall  
6 deduct, from the unit member's salary warrant, the amount of such disability indemnity actually  
7 paid to and retained by the unit member.

8 5. A unit member receiving benefits as a result of this section during periods of injury or illness,  
9 shall remain within the State of California unless the Board of Education authorizes travel  
10 outside the State or unless so directed in writing by a physician.

11 6. When entitlement for industrial accident or illness leave has been exhausted, the District will  
12 coordinate the temporary disability with the employee's other available paid leave, to keep the  
13 employee in a full paid status as long as possible.

14 7. Industrial accident and illness leave will be reduced by one day for each day of authorized  
15 absence regardless of a compensation award made under Worker's Compensation.

16 8. When all available paid leaves have been exhausted and the unit member is not able to resume  
17 the duties of the unit member's position, he/she shall, within thirty (30) days request a leave of  
18 absence without pay, apply for retirement, or elect to resign. Should the unit member fail to  
19 choose one of these options, the District will place the unit member on an unpaid leave of  
20 absence to the end of the school year. The District shall notify the unit member in writing of  
21 such action. Failure of the unit member to resign or apply for retirement by the end of the

3 mandatory training duty during days schools are not in session. Exceptions will be considered when  
4 there is written evidence from Armed Services that appropriate training for a particular individual is not  
5 available during the days schools are not in session.

6 c. Such absence shall not affect adversely in any way the status, classification, or position of the unit  
7 member. In the case of probationary unit members, the period of such absence shall not count as part  
8 of the service required as a condition precedent to the classifying of such unit member as a permanent  
9 employee of the District, but such absence shall not be construed as a break in the continuity of the  
10 service of such an employee. If the unit member chooses within twelve (12) months of returning to  
11 make-up his/her defined retirement contributions missed while on military leave, the District shall make  
12 the appropriate matching contribution, as per STRS/PERS and IRS rules and regulations.

13 d. Within six months after the honorable discharge of the unit member from the Armed Forces of the  
14 United States, the unit member shall be entitled to return to a similar position held at the time of  
15 entrance into such military service, at the salary to which the unit member would have been entitled  
16 had the unit member continued in the service of the school district. The District shall make a reasonable  
17 effort to accommodate a veteran who returns with a service connected disability.

18 e. Unit members who are members of any Reserve Corps of the Armed Forces of the United States, or the

28 the District Human Resources Office thirty (30) days prior to the end of the leave period as to an intent  
29 to return to employment in the District at the beginning of the coming school year, trimester, or  
30 semester. Failure to so notify will be considered a voluntary resignation.

31 c. The unit member on an unpaid leave of absence shall have the option of continuing health and dental  
32 insurance benefits at their own expense during the period of unpaid leave. Leaves of absence extending  
33 more than ninety (90) days will be placed under the Consolidated Omnibus Budget Reconciliation Act

5 member were not on leave. If the unit member fails to return from leave, for a reason other than the  
6 continuation, recurrence, or onset of a serious health condition, then the unit member shall reimburse the  
7 District for premiums paid to maintain group health benefits. . As per §825.213(3)(c) of the Family Medical Leave

10 regularly scheduled work.

11 There will be no more than twelve (12) weeks of FMLA leave granted for any one qualifying event, this includes

1 **ARTICLE 15: GRIEVANCE PROCEDURES**

2 **Section 15.1 - Definition.** A grievance shall mean a written complaint by an employee or the Association that  
3 there has been an alleged violation, misinterpretation, or misapplication of a provision of this Agreement.  
4 Hereinafter, the term “grievant” shall include either the employee or the Association. Days, for the purposes of  
5 this Article, will mean regular school working days.

6 **Section 15.2 - General Provisions.**

- 7 a. Every employee shall have the right to present grievances in accordance with these procedures with or  
8 without representation. Nothing contained in this Article shall be construed to prevent any individual  
9 employee from discussing a problem with an agent of the District and having it resolved without filing a  
10 grievance as provided herein.
- 11 b. The failure of the grievant to act within the prescribed time limits stated in this Article will act as a bar to  
12 any further appeal. The failure of the District to give a decision within the time limits shall permit the  
13 grievant to proceed to the next step. The time limits stated herein shall not apply between the end of  
14 the traditional school year and the beginning of the next traditional year when a grievant is on a  
15 traditional calendar or when the grievant is off track on a YRE calendar.
- 16 c. In the event a unit member exercises the right to process a grievance without assistance from the  
17 Association, the District shall follow Government Code Section 3543.
- 18 d. Hearings and conferences under this procedure shall be conducted at a time and place which will afford  
19 an opportunity for all persons entitled to be present to attend and will be held, after the regular hours  
20 of instruction or during the non-teaching time of personnel involved. When such hearings and  
21 conferences are held at the request of the District during the regular workday, all employees whose  
22 presence is required shall be released without loss of pay for those hours they are required to attend  
23 such hearings or conferences. However, the District will not release without loss of pay more than one  
24 (1) representative per grievance.
- 25 e. Any investigation or other handling or processing of a grievance by a grievant or the Association shall be  
26 conducted so as to result in no interference with, or interruption of, the instructional program.
- 27 f. In the case of multiple grievances on the same issue or on similar issues, at Level II or following, the  
28 District may elect to hear or respond to only one grievance. The District shall then contact the  
29 Association and request that it prepare a Class Action Grievance. The District shall provide the  
30 Association with copies of all grievance forms thereunto pertaining and the Association shall prepare a  
31 grievance for all concerned parties. The decision rendered shall be applicable to all claims on the same  
32 issue, arising from the same set of circumstances.

33 **Section 15.3 - Levels**

- 34 a. **Informal Level** - Before filing a formal grievance, the grievant’s immediate supervisor shall meet with the  
35 grievant, or a representative of the Association as the grievant’s designee, within ten (10) days of the

1 alleged grievable occurrence. Unit members must clearly state to the supervisor that the discussion  
2 relates to an informal grievance so that the nature and purpose of the discussion are understood by  
3 both parties. After the meeting has taken place, the grievant or the Association representative and the  
4 immediate supervisor shall sign and date the standard grievance form, indicating only that the informal  
5 meeting has taken place. The form shall specify the alleged contract violation before signatures are  
6 written. If the meeting does not resolve the issue, or the meeting does not take place within ten (10)  
7 working days, the grievance shall proceed to Level 1. If the grievant or Association do not attempt to  
8 meet with the immediate supervisor for an informal level meeting, then further appeal is barred as  
9 indicated in Section 15.2 (b) of this Article.

10 b. Level I - Any employee who has a grievance may reduce such a matter to writing, within fifteen (15) days  
11 after the employee has knowledge or reasonably should have knowledge of the event which caused the  
12 grievance and submit it to the immediate supervisor who shall meet with the employee and/or an  
13 Association representative in an attempt to resolve the matter. Such meeting and a response in writing  
14 by the District will be made within ten (10) days after submission of the grievance into Level I.

15 c. Level II - If the grievance is not resolved in Level I, a written notice of appeal to Level II shall be served to  
16 the District within ten (10) days following the disposition of the grievance in Level I. Such grievance shall  
17 be discussed at a meeting with the employee, an Association representative, and the Superintendent or  
18 designee, and/or whomever else the Superintendent elects to be present. If the designee met with the  
19 grievant at Level I, the Superintendent and/or a different designee shall meet with the grievant and their  
20 representative at Level II. Such meeting and response in writing by the District will be made within ten  
21 (10) days after submission of the grievance into Level II.

22 d. Level III - Mediation - If the grievance is not resolved in Level II, a written notice of appeal to Level III  
23 shall be served to the District within ten (10) days following the disposition of the grievance in Level II.  
24 The matter may be submitted to a mediator upon mutual agreement between the District and the  
25 grievant/Association. Such agreement shall be reached within ten (10) days. If no such agreement is  
26 reached within ten (10) days, the District or the grievant/Association may take the grievance to Level IV.  
27 If there is mutual agreement, a mediator, appointed by the State Conciliation Service, will hear both  
28 positions and render non-binding suggestions in the hope that a solution will result. At the close of the  
29 mediation session, if a settlement has not been achieved, the grievant/Association and the District  
30 representative shall state such in writing.

31 e. Level IV

32 1. In the event the grievance is not settled at Level III, or there is no mutual agreement to use Level  
33 III, the grievant shall have up to ten (10) days to notify the Association of the unit member's  
34 request for arbitration. The Association shall within five (5) days notify the District in writing of  
35 the grievant's request for arbitration. Should the Association choose to submit the grievance to

1 binding arbitration, it shall notify the Superintendent of such decision within thirty (30) days of  
2 the date that the Association notified the District of the grievant's request for arbitration.

3 2. The District, within ten (10) days of the request, shall request the State Conciliation Service to  
4 supply a list of five (5) names of persons experienced in hearing grievances in public schools.  
5 The Association and the District shall attempt to agree on a binding arbitrator from this list  
6 within five (5) days upon its receipt. If no agreement can be reached, each party shall  
7 alternately strike a name until only one name remains. The remaining panel member shall be  
8 the binding arbitrator. The order of striking shall be determined by lot.

9 3. The fees and expenses of the arbitrator and the hearing shall be borne equally by the District and  
10 the Association. All other expenses shall be borne by the party incurring them.

11 4. The arbitrator shall, as soon as possible, hear evidence and render a decision, on the issue or  
12 issues submitted. If the parties cannot agree upon a submission agreement, the arbitrator shall  
13 determine the issues by referring to the written grievance and the answers thereto at each step.

14 5. The arbitrator will have no power to add to, subtract from, or modify the terms of this  
15 Agreement or the written policies, rules, regulations, and procedures of the District. The  
16 arbitrator's decision must be limited to the specific issue or issues submitted, and based upon  
17 the arbitrator's interpretation of meaning or application of the language of the Agreement.

18 6. After a hearing and after both parties have had an opportunity to make written arguments, the  
19 arbitrator shall submit in writing to all parties his findings and decisions, which shall be binding  
20 to the Board of Education, the unit members, and the Association

21 **Section 15.4 - Waivers.**

- 22 a. Any of the time limits set forth in this Article may be waived by written agreement between the Parties.
- 23 b. Any of the levels or procedures in this Article may be waived by written agreement between the Parties.

24 **Section 15.5 - Association Representatives.** Association representatives shall be designated by the Association  
25 to take up matters pertaining to grievances. The Association shall be afforded two (2) days of substitute time  
26 per month for investigation of grievances on file. Three (3) days notice will normally be provided.

22 which he/she serves.
- 23 j. All other rights and benefits shall be provided in accordance with District Policy except as otherwise  
24 provided in this Agreement. During the time in which the employee is not rendering services to the  
25 District, unit member's status shall be regarded as an employee on unpaid leave.

29 received if the unit member was employed on a full-time basis and have retirement allowance as well as other  
30 benefits that the unit member is entitled to, based upon that salary which would have been received if  
31 employment were on a full-time basis. The employee and the District shall contribute to the teacher's

5 basis on the part of the former employee. To be eligible to participate in the program the employee must:

- 6 a. Be under the age of 65 and at least 55 years of age at the time of retirement. Any changes in the terms

19 the dependent shall automatically terminate at the end of the month of the occurrence.

20 **Section 18.3** Employees in this program are not eligible for employment under the terms of Article 17

2 will be responsible for submitting payments for health plan premium coverage to the Business Office of the  
3 District on the time schedule established by the District.

4 Failure of the retired unit member to meet the established premium payment schedule will result in the retired  
5 unit member being terminated from the hospitalization/medical-dental plan.

6 The District shall make available to retirees a Medicare supplement plan at the retiree's cost when the benefits  
7 provided in this Article expire.

8 Section 18.8. Employees Age Fifty (50) or older on July 1, 2007 Notwithstanding any other provision in this

4 cause. "Just Cause" shall mean such cause as shall constitute sufficient reason to take an action to meet the  
5 needs of a given situation. The action must be appropriate and reasonable provided it is taken in reference to  
6 the given circumstances. The unit member must have fair notice, and action shall in no way affront due process.  
7 Furthermore, a unit member shall not be suspended based solely on hearsay.

8 **Section 22.2** – In the administration of this Article, the District shall observe for similar or related offenses the  
9 following progressive remediation steps:

- 10 a. A verbal reprimand. This shall include written verification that the verbal reprimand has taken place.
- 11 b. A conference with the unit member, which is memorialized in a memorandum but not placed in the  
12 personnel file.
- 13 c. A written reprimand, which is placed in the personnel file. The content of oral or written  
14 communications in Steps a, b, and c shall not be subject to the grievance procedure.
- 15 d. Imposition of a first suspension not to exceed five (5) consecutive workdays. Any suspension shall be  
16 based upon the just cause, as defined in Section 1, and shall include, but not be limited to,  
17 insubordination, failure to perform assigned or expected duties, unprofessional conduct, excessive or  
18 inappropriate absenteeism or tardiness, or the causes set forth in Ed Code 44932.
- 19 e. Imposition of additional suspensions not to exceed ten (10) consecutive workdays. (Suspension  
20 procedure will be same as Section 21.2 d above)
- 21 f. In the event of major or serious infractions, failure to follow safety procedures as outlined in Article 14,  
22 or inappropriate behavior, defined in Board Policy 6640 and Ed Code 44932 and 44933, the District may  
23 impose discipline without following the progressive steps set forth above.

24 **Section 22.3** - In the event of a suspension under the provisions of this Article, it is agreed that the following  
25 provisions shall be adhered to:

- 26 a. Prior to imposing a suspension without pay, the District shall provide the unit member with written  
27 notice thereof which shall include the cause or causes for disciplinary action in a specific statement of  
28 charges. A conference shall be held between the unit member and his/her immediate supervisor or  
29 other appropriate administrator, at which time the unit member shall have the opportunity to respond  
30 to the charges and to any written materials upon which the charges are based. The unit member may  
31 be represented by the Association during this conference.
- 32 b. After the conference, the immediate supervisor or other appropriate administrator shall decide whether  
33 or not to impose a suspension without pay and give the unit member written notice thereof. Except in  
34 cases of major or serious infractions, this suspension shall not be imposed until the time limit for appeal  
35 to arbitration has expired and in the event that the appeal to arbitration is timely filed, the suspension

1 (except in cases of serious or major infractions) shall be held in abeyance until the decision of the  
2 arbitrator has been rendered.

3 c. Upon being served with written notice of suspension, the unit member may request the Association to  
4 ask for a hearing before an arbitrator who shall be chosen by mutual agreement of the District and the  
5 Association. If mutual agreement cannot be reached within five (5) calendar days after a request for  
6 hearing is received, the parties shall request a list of five (5) arbitrators from the State Conciliation  
7 Service. As soon as the list of five (5) potential arbitrators is received, the parties shall strike names and  
8 the remaining individual shall serve as the arbitrator.

9 d. The Association must file the request for hearing, under Section c above, with the Superintendent's  
10 office no later than ten (10) calendar days (excluding winter and spring recesses) after receiving the  
11 notice of suspension. Failure to file a written appeal with the ten (10) calendar day period shall be  
12 deemed a waiver of any right to a hearing.

13 e. The arbitrator shall prepare written findings and a decision within twenty (20) calendar days after the  
14 close of the hearing. The decision shall be binding on all parties, but the arbitrator shall have authority  
15 only to affirm, modify, or revoke the suspension without pay. Any modification shall be limited to  
16 decreasing the number of suspension days, and if the suspension is reduced or revoked, the unit  
17 member shall be entitled to back pay for the number of suspension days rescinded.

18 **Section 22.4**

19 a. Steps a and b only of Section 21.2 shall not be carried more than twelve (12) calendar months beyond  
20 the last similar infraction.

21 b. If no further infraction of a similar nature occurs within thirty-six (36) calendar months of the written  
22 reprimand (Section 21.2c) the District shall begin again with Section 21.2a for any subsequent similar  
23 infraction.

24 **Section 22.5** - The terms "discipline," "disciplinary action," and "suspension," for purposes of this Article, mean  
25 suspensions without pay not to exceed ten (10) consecutive work days. The term "major or serious infractions"  
26 means "any act or acts committed that would be grounds for dismissal under the Education Code."

27 **Section 22.6** – The costs of an arbitrator shall be borne equally by the District and the Association. Each party  
28 shall bear its own costs of representation of the hearing.

29 **Section 22.7** - Nothing contained in this Article shall be construed to limit or restrict the authority of the  
30 Governing Board to dismiss, suspend, or to take disciplinary action under the Education Code or other applicable  
31 law. Suspensions of ten (10) consecutive work days or less shall be subject to the due process procedure set  
32 forth in this Article, and the contractual grievance procedures shall not apply.

33 **Section 22.8** - If, after having been disciplined, the unit member serves the District for forty-eight (48) months  
34 without the need for further disciplinary action, upon request, the District shall seal the written reprimand  
35 and/or suspension notice within the personnel file.

1 **ARTICLE 23: YEAR-ROUND EDUCATION**

2 **Section 23.1 - Introduction.** The Association shall be informed of the designation of year-round school sites or

4 meeting where such designation is made.

5 In addition, if the District decides to implement YRE schools at grade levels other than K-6, it will give prompt  
6 notice of such intent to the Association and will meet and negotiate regarding issues arising because of the  
7 implementation at the additional grade levels. The

8 District and the Association will continue to discuss implementation of YRE programs during the term of the  
9 Agreement.

10 Provisions of this Article apply to Year-Round schools only, if and when these schedules are implemented.  
11 Except for these provisions, members of the unit involved in Year-Round schools will be subject to all other  
12 provisions of the Agreement.

14 transfers are considered. School Site meetings shall be held at each YRE site during which unit members shall  
15 determine initial track selections among themselves based on staffing need with the approval of the site  
16 administrator.

17 Individual track openings may be filled at the end of the school year by on-site unit members as the openings  
18 occur.

19 If two employees at a school site determine that they wish to exchange track assignments for the following  
20 school year, they may make a proposal to that effect to the site administrator prior to April 15. The  
21 administrator shall respond no later than May 15. All responses shall be in writing. If disapproved, specific

28 provided in this Agreement. The District may provide for additional workdays for some bargaining unit  
29 positions. Such positions shall be posted. Unit members who agree to work such additional days shall be  
30 compensated at appropriate rate of pay for the extended work year (as mentioned above).

31 **Section 23.4 - Preparation Days.** Prior to the beginning of each school year two (2) preparation days may be  
32 required. Preparation days during the school year may be scheduled at the discretion of the unit member with  
33 prior approval of the site administrator.

34 For unit members who report to duty on the teacher preparation days as indicated on the school calendar, the  
35 District will make every effort to provide duty-free days for the purpose of classroom preparation and scheduled

1 on-track staff meetings. On the last prep day preceding the arrival of the unit member's students, work hours  
2 may be flexible to allow unit members at least three and one-half (3½) hours to work in their assigned  
3 unencumbered classroom until no later than 7:30 p.m.

4 A unit member changing from the traditional school program to the Year-Round Education program shall have  
5 the option of selecting any two (2) preparation days on the Year-Round Education program calendar for the  
6 purpose of preparing for the beginning of the unit member work year. The unit member must receive approval  
7 from the site administrator prior to working these days.

8 **Section 23.5 - Rovers.** With the approval of the site administrator, unit members may elect to use rovers.  
9 Rovers shall be drawn from a pool of volunteers. Rovers will be given the option of a duty free work schedule or  
10 receive a ratio of 1.02 on the salary schedule.

11 **Section 23.6 - Substitute Options.** (See Article 8, Section 13)

12 **Section 23.7 - Flexible Scheduling.** A unit member teaching an on-track assignment will be permitted to  
13 exchange a maximum of ten (10) instructional days with an off-track unit member if approved by the site  
14 administrator.

15 The District shall be notified by the on-track unit member ten (10) days prior to the exchange period. All  
16 exchanges must be completed with one (1) fiscal year. Such arrangements shall not impact other leaves set  
17 forth elsewhere in the Agreement.

18 **Section 23.8 - Working Conditions.** It is the intent of the District that only air-conditioned schools will be  
19 designated as Year-Round Education program sites. The District will be responsible for providing adequate and  
20 secure storage for District-supplied materials and individually owned unit member supplies approved by the site  
21 administrator.

22 Adequate materials and supplies will be provided by the District for each instructional track.

23 Adequate desks, files, and related equipment will be provided by the District for each on-track unit member.

24 **Section 23.9 - Miscellaneous.** Each track may have one Open House per school year. It shall not be the regular  
25 policy of the District to assign students who are off-track to the classrooms of on-track unit members, on a  
26 temporary basis, for the purpose of making up instructional time.

27 Off-track unit members will not be required to attend any school functions unless they are employed under  
28 separate contract, i.e., intersession meetings.

29 If the unit member agrees to complete an extra pay for extra duty assignment and is required by the District to  
30 fulfill this assignment during that member's off-track time, (such as spelling bee, science fair, or other paid duty),  
31 the District shall compensate the unit member at the contractual hourly extra duty assignment rate. The District  
32 shall determine the appropriate number of hours to be compensated.

33 **Section 23.10 - Special Services.** In meeting instructional needs for students' special services during the Year-  
34 Round Education program, unit members shall be given first consideration. Unit members who provide special  
35 services and are needed to fulfill federal, state, and/or District guidelines may apply to work an extended work

1 year beyond their regular assignment at the unit member's per diem rate of pay to include anniversary steps,  
2 stipends, and ratios. (See Appendix II, Section A for current work year.) Selection shall be on a voluntary basis if  
3 all positions can be filled by that method. Otherwise, assignments will be made by the District.

4 Specialists, including nurses, psychologists, counselors, speech therapists, adaptive physical education teachers,  
5 Curriculum Program Specialists, and resource specialists may service multiple tracks throughout the year by  
6 volunteering for additional work days beyond the contractual limits. YRE unit members, working a YRE contract  
7 shall be given a work schedule prior to April 15. If a unit member wishes to modify the schedule to better meet  
8 the needs of students, the unit member may submit change requests to the appropriate supervisor for approval.  
9 All requests for modification shall be submitted no later than May 1. The District shall notify the unit member  
10 no later than May 15 of the final approved work schedule for the following year. Once the work schedule is set  
11 for the year, no further changes shall be allowed.

12 No unit member will be required to work a four (4) day workweek; unless, the District has posted the position as  
13 such. A four (4) day workweek may be implemented when a reduced work year is requested by the Association.  
14 Unit members providing services for special needs will be assigned no more than three (3) work sites if possible.

15 **Section 23.11 - Evaluation.** Observation and evaluation procedures and schedules shall be in accordance with  
16 Article 10.

17 Unit members shall have only one prime evaluator during a school year unless a change is requested by the unit  
18 member, or the prime evaluator with the permission of the Superintendent or his designee.

19 **Section. 23.12 - Salary.** Unit members shall have their salary adjusted retroactively to the beginning of their  
20 initial track upon submission of additional units prior to November 1.

21 Step changes will occur as per contract on July 1 for year-round. Anniversary increments will begin on July 1 for  
22 year-round unit members.

23 A unit member assigned to a YRE position shall be compensated on the same base salary schedule as a unit  
24 member assigned to a traditional calendar position. Advancement on the salary schedule shall be as provided in  
25 Appendix IB.

26 Unit members who work at the YRE sites shall not be adversely affected by the application of the standards of  
27 advancing on the salary schedule or obtaining years of service credit, as defined in Article 7 of the collective  
28 bargaining agreement.

29 If a unit member transfers into or out of a YRE site and in the process changes his/her pay cycle, the District will  
30 make every reasonable effort to accommodate the unit member's pay cycle to minimize interruption of regular  
31 pay warrants. The District shall not be required to advance salary pay to unit members unless a bond acceptable  
32 to the District is provided by the unit member. Over and under payments that occur in any fiscal year will be  
33 handled as quickly and equitably as possible, but not later than the end of the school year. The beginning date  
34 for seniority will be determined by first day of paid service.

35 Unit members on YRE shall receive twelve (12) pay warrants per school year.

1 **ARTICLE 24 SPECIAL EDUCATION**

2 **Section 24.1 - Definition** This section is approved to meet requirements of Students with Special Needs. It is  
3 the intent of both parties, the District and the Association, to comply with all federal and state regulations and  
4 laws. Any provisions of this Article found to be in violation of federal and state regulations will be deemed  
5 invalid.

6 **Section 24.2 - Transfer Reassignment** The District shall not deny any unit member serving in a special education  
7 assignment who has fulfilled all of their credential requirements the right to transfer or be reassigned to a  
8 vacant position, for which the unit member is qualified, due to the unit member possessing a special education  
9 credential.

10 **Section 24.3 - Individual Education Programs (IEPs)**

11 a. **Participation** - Unit members who work directly with students on active IEPs shall be provided the  
12 opportunity to serve on the IEP team responsible for developing, reviewing, and/or revising such  
13 programs.

15 regular duty day.

16 c. **Placement** - The placement of a Student with Special Needs in a main streamed, collaborative, or  
17 inclusion model, will be made when deemed appropriate by the IEP team.

18 d. **Distribution of IEPs** - The District shall make every effort to provide the unit member(s) who has(ve)  
19 direct student contact with a copy of the IEP as soon as possible.

22 days. No unit member will be required to change from the 185-day work year to the 208-day work year. This  
23 will be granted on a voluntary basis.

24 **Section 24.6 - Specialized Health Care Procedures** Unit members, other than school nurses, shall not be  
25 required to perform any medical procedures (such as clean intermittent catheterization, injections, suction,  
26 gavage feeding, and drainage) on a student. Unit members may be required to attend training on said  
27 procedures in order to be prepared to respond in an emergency situation. Such training shall be during the  
28 regular duty day.

29 **Section 24.7 - Professional Development** Training for new instructional models shall be provided during the  
30 regular duty day.

31 **Section 24.8 - Program Support** Unit members who have Students with Special Needs shall have appropriate  
32 support as required by law.

33 a. **Instructional Aides** - Instructional aides shall be assigned as needed. Special Education and general  
34 education teachers shall be consulted as to the scheduling of such aides, but the District shall make the  
35 final assignment.

1 b. **Collaborative/Inclusion Support** - Unit members teaching general education classes that have a Student  
2 with Special Needs enrolled in their class(es) in a Collaborative or Inclusion Model shall have the support  
3 of a Special Education teacher, instructional aide, or any other member of the Special Education Support  
4 Team whenever possible or as identified on the IEP.

5 c. **Class Size** - Students involved in a Collaborative or Inclusion Model will be included in the general  
6 education teacher's class size roll.

7 d. **Grading** - The District and the Association agree that grading should be a collaborative effort between  
8 the special education teacher and the general education teacher for students with special needs who  
9 are participating in general education. Grades are based on the criteria established in the IEP. When a  
10 student receives instruction in the regular classroom while also receiving support from a special  
11 education teacher, the regular classroom teacher will work with that special education teacher to  
12 determine the appropriate grade for the student based on ability, achievement, and the differential  
13 standards that were applied. The grade will be the result of a collaborative effort of both instructors.

14 **Section 24.9 – Impact of Special Education Population General Education Classrooms** The District and the  
15 Association support successful placement of special education students in general education classrooms, and  
16 recognize the impact on the workload of classroom teachers. The principal shall assign students in such a way to  
17 minimize the impact and equalize student load.

18 **Section 24.10 – Collaboration** The District and the Association agree that collaboration and planning between  
19 general education and special education teachers is essential to effectively meet the needs of students with  
20 special needs. It is also understood by both parties that the needs of students with disabilities cannot be met  
21 without proper collaboration. Special education teachers shall be provided time to meet collaboration  
22 requirements.
