## Principal's Message

Paul J. Rogers Elementary School is devoted to the academic success of our students. Our staff is committed to providing the highest quality education for all students in a safe and nurturing environment.

Teachers at Rogers actively seek out opportunities for professional development. Our goal is to continuously grow in our instructional knowledge and teaching methods. This enables us to help students prepare for their future by setting a solid foundation.

At Rogers we encourage parent involvement and participation. Opportunities for involvement include School Site Council, ELAC, PTA, Family Nights and Events, Parent Conferences, Parent Classes, etc. For the safety of everyone, our district requests that adults on campus be cleared through our district process.

Rogers is a Title One school. Our Title One program is incorporated within the federal guidelines and requirements. We currently have Teachers on Assignment and Instructional Assistants that support our program with individual and small group instruction in the areas of ELA, ELD, and Math. In addition, our support staff collaborates with teachers and grade level teams to align and support core instruction.

At risk students are offered opportunities to participate in intervention programs during and after the school day, to support them in reaching the common core grade level standards.

We welcome you to visit our school and offer any suggestions, thoughts, ideas, or support. We strive to continually make our school the best. We also encourage you to follow us on Twitter or Instagram to see what is happening at Rogers!

## School Description

Paul J. Rogers Elementary School is located in the western region of Colton and serves students in grades kindergarten through six following a traditional calendar. At the beginning of the 2018-19 school year, 694 students were enrolled, including 9.5% in special education, 25.4% qualifying for English Language Learner support, and 75.1% qualifying for free or reduced price lunch.

## Student Achievement

### Physical Fitness

In the spring of each year, Paul J. Rogers Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart reported in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2018-19			
Grade Level Tested	Percentage of Students Meeting Standards		
	Four of Six Fitness Standards	Five of Six Fitness Standards	Six of Six Fitness Standards
Fifth	12.2	7.3	2.4

*Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

### California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website [www.cde.ca.gov/ta/tg/ca/](http://www.cde.ca.gov/ta/tg/ca/).

*Note: ELA/Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3 – Alternate) on the CAAs divided by the total number of students who participated in both assessments.*

*Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

*Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested*

is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

**Conditions of Learning (Basic Services) – State Priority 1:** Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials and school facilities are maintained in good repair. Covered in *Teacher Assignment*, including the Teacher Credentials & Misassignments chart; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

**Conditions of Learning (Implementation of State Standards) – State Priority 2:** Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

**Parental Involvement – State Priority 3:** Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in *Parent Involvement*.

**Pupil Achievement – State Priority 4:** Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in *California Assessment of Student Performance and Progress*, including the CAASPP charts.

**Engagement (Pupil Engagement) – State Priority 5:** School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in *Dropout & Graduation Rates*, including the Dropout chart; and *Graduation Requirements*, including the Graduation Rate chart for high schools only.

**School Climate – State Priority 6:** Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

**Conditions of Learning (Course Access) – State Priority 7:** Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

**Other Pupil Outcomes – State Priority 8:** Pupil outcomes in the subject areas. Covered in *Physical Fitness*, including the Physical Fitness Test chart.

## Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, the school marquee, the school website, social media, monthly calendars, the Remind App, and Blackboard Connect (automated telephone message delivery system). Contact Laurie Carlton, Principal, at (909) 580-5027 for more information on how to become involved in your child's learning environment.

## School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Paul J. Rogers Elementary School's original facilities were built in 1965; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Upgrades to the exterior trim of buildings
- Painting of doors and trim throughout campus

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and an evening crew are assigned to Paul J. Rogers Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Cafeteria cleanup

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening crew is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Trash removal

The principal and assistant principal communicates with custodial staff daily concerning maintenance and school safety issues.

### Facilities Inspection

The district's maintenance department inspects Paul J. Rogers Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Paul J. Rogers Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Thursday, June 20, 2019. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2019-20, all restrooms were fully functional and available for student use at the time of the inspection.

### County Williams Settlement School Inspection Results

On an annual basis, representatives from the County Office of Education visit Colton Joint Unified School District's schools that are in the API Decile Ranks 1 - 3. The inspection is designed to evaluate and verify that school facilities conditions are in "good repair" and that any deficiencies are accurately reported in the School Accountability Report Cards. The most recent facility inspection completed by the county took place on 8/28/2019. Results of the inspection and corrective action taken by the district are provided in the table below.

### Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, teachers, and noon aides are strategically assigned to designated entrance areas and the playground. During recess, teachers supervise playground activity. The principal, assistant principal, and noon aides monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, assistant principal, teachers, and noon duty aides monitor student behavior to ensure a safe and orderly departure.

Paul J. Rogers Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

### School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Paul J. Rogers Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in March 2019.

## Classroom Environment

### Discipline & Climate for Learning

Paul J. Rogers Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

## Curriculum & Instruction

### Staff Development

All training and curriculum development activities at Paul J. Rogers Elementary School revolve around the California State Content Standards and Frameworks. During the 2018-19 school year, Paul J. Rogers Elementary School held staff development training devoted to:

- Data Analysis
- Math Training
- Positive Behavioral Interventions and Supports (PBIS)
- Technology Training

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Paul J. Rogers Elementary School supports ongoing professional growth throughout the year on minimum days and teacher release days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2018-19 school year, Paul J. Rogers Elementary School's teachers attended the following events hosted by the Colton Joint Unified School District:

**2017-18 Trainings:**

- EdTech
- English Language Arts Adopting
- English Language Development
- Mathematics
- Positive Behavior Interventions and Supports (PBIS)
- Social Studies Adoption Training
- Technology Training
- Writing

**2018-19 Trainings:**

- Data Analysis
- Educational Technology
- Illuminate Training
- Instructional Leadership Teams (Focused on strategies to support English Learners)
- LETRS (Specific training in beginning reading skills, focus on Phonemic Awareness)
- Mathematics
- Next Generation Science Standards (NGSS)

**2019-20 Trainings:**

- LETRS Training
- Colton Cohort (Orenda Data Review Sessions)
- Equity Institute
- Instructional Leadership Teams (Focused on strategies to support English Learners)
- Next Generation Science Standards (NGSS)
- Student Services Summit (Focusing on supporting student social and emotional health and wellness)

Paul J. Rogers Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

**Instructional Materials**

All textbooks used in the core curriculum at Paul J. Rogers Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials for English Language Arts and Mathematics are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's adoption cycle for core content materials (English/language arts, math, science, and social science).

The History-Social Science and Science instructional materials are not from the most current state-board adopted list of materials, but the materials in use are aligned to state standards. The district is currently reviewing options for new science materials with implementation in 2020/21 and will be reviewing options for new history/social science materials in 2020/21 with implementation in 2021/22. The TK materials are from the district's most recent local adoption as there is no state board adoption list for these materials.

On Thursday, September 05, 2019, the Colton Joint Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 20-03 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all

students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2019-20 school year, Colton Joint Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

**Professional Staff**

**Counseling & Support Staff**

Paul J. Rogers Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Paul J. Rogers Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Academic Counselors & Other Support Staff (Nonteaching Professional Staff) 2018-19		
	No. of Staff	FTE
Academic Counselor	0	0
Adaptive PE Specialist	1	*
Counselor	1	1.0
Health Assistant	1	0.5
Library Media Technician	1	0.5
Nurse	1	*

Speech Therapist	1	0.5

\* as needed  
 Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

## Teacher Assignment

During the 2018-19 school year, Paul J. Rogers Elementary School had 31 teachers who met all credential requirements in accordance with state guidelines. The chart below identifies the number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher positions.
